

Base of McCaffery Says Kelley ••• Lacrosse ••• Canadians 7 of E. 6

NOTE AND COMMENT

The progress of the Englishmen in Canada's national game was again emphasized yesterday at Manchester, when Ald. Foran's Canadian Olympic champions finished only one goal ahead of the North...

According to our correspondent in New York, the disaffected President McCaffery of the Toronto Club is becoming quite democratic, the story telling that he contemplates an interview. Further, Jim, the big pardner, Mr. McCaffery, expressed the opinion that Joe Kelley would be with us in the fall.

George Stallings, the stormy petrel of every league in which he sojourns, is making himself obnoxious, leaving the Eastern Conference for the New York Highlanders and it is to be hoped that the writer is true to his signed-up word, which would remove his features from these parts.

According to The New York American (N.Y.), it is to replace Montreal in the circuit. The Canadian League has always been a frost. Besides, it makes a very undesirable jump. By the substitution of the New York Highlanders, the Montreal franchise is under financial obligations to the league and can therefore be expected to lose the franchise.

How bad the racing game is in New York State is best told by the statement that, having Ketter, practically all of the good jockeys are riding at Jamaica. The quality of the riding talent at Jamaica is so much better than at Saratoga that Creevy, a green apprentice in the employ of the Montpelier Stable, who had been riding at Saratoga, was sent to the fact that there are only four days more at Jamaica before the jockeys prefer to work at Baltimore, where there is steady employment.

Steeplechase Jockey Wagon went all the way to Baltimore on Tuesday to ride Billy. The horse looked like a winner until the jump at the far turn was reached, where he bolted and had to be pulled up.

President Patsy Powers is only in receipt of an annual honorarium of \$200 for running the Eastern League and that's why he has been looking for a next professional indoor Marathon or whatever you like to call it to help buy his coat.

The report that Tom Longboat had returned for the year from his two months' hot-foot from Hamilton last night in an endeavor to have this feature of the Herald's Thanksgiving Day race assured. He interviewed Tom Flanagan, who was non-committal on the question of Longboat's return, but stated that the Indian would remain an amateur.

However, with or without Longboat, the success of the race around the bay is assured. Mr. McCullough knows that the entry will exceed that of any former year, and is also bound to furnish a record time. He is confident that the Heavener Athletic Club, six of whom are Indians.

The Hamilton Herald race always makes a stir in international circles, and present there is no reciprocity between Canada and the United States, owing to the disagreement between the two countries over the A.A.U. refusing to accept C.A.A.U. cards, while the latter body is more generous in that respect. Now the Herald will have several runners from across the line, including Senary, Meier, the winner in 1907 and 1904, making the record in the latter year, which still stands. The presence of the foreigners is quite acceptable. Day, the Herald people and the C.A.A.U., the three cause considerable worry to Boss Sullivan and his union.

Hamilton is giving a boxing and wrestling tournament of considerable proportions to follow the Thanksgiving day here and already several of the "mitt artists" are in training. Billy Carroll has half a dozen ready to send to the Mutual-street rink.

Before the report was out, correct or otherwise, that Tom Longboat was to become a pro, "Well-wisher," who must have telephonic communication with the reporter, wrote to The World. "In the event of Mr. Tom Longboat deciding to become a professional at any time in the future, I believe it would be a splendid idea for the citizens of Toronto to urge upon the desirability of having a committee of three prominent persons appointed to take full charge and management of the boy's financial affairs.

"In such a capacity, they could exercise an oversight and demand full accountability with financial and other conditions that may be attached to any race he might run. And, further, they should have full power to exercise direction in his personal affairs so that his interests may be fully protected. "It is this step should be taken at an early day, for there is no telling when he might take the plunge into the arena of professionalism. Since the boy is not capable of transacting or looking after his own business, it seems to me a move in this direction would be a charitable thing.

"For such a board of trustees, I would suggest the following citizens: His Worship the Mayor, Deputy Chief of Police Park and Mr. James L. Hughes."

McCaffery Says Kelley Will Be Accepted

BOWLING CHALLENGE WILL BE ACCEPTED

If George Capps and Eddie Sutherland Will Consent to Roll—League Scores.

The challenge of Baines and West of St. Thomas to roll any two Toronto bowlers for \$100 a side, pins to count in the games, that appeared in yesterday's World, caused much comment yesterday in alley circles.

It is likely that the challenge will be accepted, the friends of George Capps and Eddie Sutherland, being ready to put up a \$100 or \$200 if the foregoing bowlers will consent to roll. More, however, will be heard in a day or two, but Messrs. Baines and West can rest assured that they will be given an opportunity to prove their strength.

Stormy Scenes at Baseball Meeting Newark, Buffalo Against Powers

President McCaffery Says Joe Kelley Will Likely Manage Toronto Club—Other Managerial Rumors.

NEW YORK, Oct. 28.—(Special.)—The storm of the Eastern League Club meeting held at the Victoria Hotel, behind closed doors, was not all harmony. A bitter wrangle is said to have occurred, and is the direct cause for George Stallings' determination to dispose of his \$30,000 worth of the stock of the Newark Club. Stallings was ably seconded in his fight by J. B. Potter, president of the Buffalo Club.

It has just begun to leak out and your correspondent is told that the end is not yet. Stallings and Potter were opposed to the re-election of P. T. Powers to the league and refrained from voting. Their interests were identical and they desired a change. They made no bones about it and while not openly seeking assistance from other clubs, they made a strong bid for it.

There was nine hours' talk behind closed doors, and who is holding out and election of officers. Some very bitter remarks were handed about and as a result Stallings determined about and as the league and announced that his hold-ings were not to be put up for sale. Stallings would become the manager of the Yankees next season, but he may be stated he has no contract with Farrer looking to this end. It may also be stated that Farrer, a large owner of the Newark stock, will not allow John McGraw nor Fred Knowles to control that club.

The World's Correspondent. The World's correspondent cornered President J. J. McCaffery of the Toronto Club in the Hotel Victoria today and obtained a positive statement from him to the effect that he will not manage the Toronto Club next season.

McCaffery was very courteous and endeavored to give the fullest information. He confessed that he went to the purpose of conferring with Kelley, but that he was not to be put up for sale. He is still in the job, and it would seem as though he would be able to secure his release he will be in the Eastern League last winter.

In the Class C City League, last night, Royal Colts, Shamrocks and Grenadiers won all their games. Scores: 1. 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20

RUGBY HERE AND THERE ARGOS AND THE T.A.A.C.

Scullers Will Give T.A.A.C. a Game Nov. 14—Plan for Tiger Game Opens To-Day

Early in the season the question was asked more than once, who had the better Rugby team, Argos or T. A. A. C. and for a long time the answer was a very warm one. Now the interprovincial season closes Nov. 7, thus giving Argos an opportunity to show their strength, and the scullers will accommodate the T. A. A. C. with a game. There is no question but that T. A. A. C. will jump at the chance to play the scullers and try to demonstrate to the Toronto public which team was entitled to the interprovincial franchise.

Many Hamilton supporters have written asking for tickets for the Tiger-Argos game at Rosedale Saturday, and when the plan opens this morning at 109 Yonge-street there is bound to be a big turnout for seats.

Varsity is practicing hard for their game with the Argos on Saturday, as they have to win this game to keep in the running for the championship, and their chances are exceedingly bright, unless College strengthen their wings so as to stop Lawson's great play.

Barber, who was a member of the Canadian Olympic team, and who is holding out a wing position for the Argos, has been suffering from a strain, but will be all right for the game Saturday with Tigers at Rosedale.

Football followers are noticing the apparent reluctance of Tommy Stinson to accept Hamilton Tigers. Two years ago, when Montreal went to the Ambler City to play for the Dominion championship, Stinson missed the train, and he has not been back since. This year in Montreal he retired in the first quarter with a bad ankle. On Saturday he is to play against Hamilton in his old town—Ottawa Citizen.

Dr. W. B. Henry and J. B. McArthur have been asked by Varsity to officiate in the Varsity-Ottawa game at Ottawa Saturday.

Norcross, the American college player, will be given a place at outside wing with Argos against Hamilton at Rosedale Saturday. He is said to be the best tackler seen here in a long time.

Ottawa are running a special train to Montreal Saturday for their game with Montreal.

One wonders how Hamilton and Ottawa ran up such big scores early in the season. The Ottawa Citizen, who is interested in the game, says that but that can be easily explained, as the scullers were then only a new team, and were now just getting working together nicely.

Argonauts will hold another signal practice to-night at 8 o'clock, when a full turnout is requested.

Naturally the Tiger game in Ottawa on Nov. 7 is causing more excitement in Hamilton than any other game of the season. The Argos are the team that will be beaten for the championship, and one can never tell what will happen with a little luck, and that is what is easily explained, as the fact that Hamilton supporters have bet more than \$1000 wagered on the Ottawa game.

The Parkdale Game Club will practice for their game on Saturday against Rugby this evening at 7:30 o'clock. It is expected that the game will be a big one, and one can never tell what will happen with a little luck, and that is what is easily explained, as the fact that Hamilton supporters have bet more than \$1000 wagered on the Ottawa game.

The Beach Success Club are practicing hard for their game on Saturday against St. Michael's College at the latter's grounds. The club is unfortunate in having their practice ground, which is at the residence of her son-in-law, Mr. R. J. Fletcher, at St. Thomas' Cemetery at Shanty Bay.

Mrs. Brownlee was formerly Miss Mary Stuart Brownlee, and was born at Red Narrows, Scotland, 30 years later came to Canada, and lived in the latter country in the threes of the Penlarz. The family is composed of her husband, Mr. Alex. Brownlee, and her two sons, James and Charles. Mrs. J. J. Fletcher (deceased), Mrs. Jas. Elliott, and her two sons, James and William, are also in the family. Mrs. J. J. Fletcher, who is a widow, is also in the family. Mrs. J. J. Fletcher, who is a widow, is also in the family.

On Saturday, Varsity Athletic Field two of the best games of football will be played on Saturday, when the Toronto Argos will meet the Hamilton Tigers at 1 o'clock. The Argos will meet the Hamilton Tigers at 1 o'clock. The Argos will meet the Hamilton Tigers at 1 o'clock.

Varsity Intermediate soccer team will play All Saints at 2 p.m. on Saturday. The game will be a big one, and one can never tell what will happen with a little luck, and that is what is easily explained, as the fact that Hamilton supporters have bet more than \$1000 wagered on the Ottawa game.

The Queens Junior Football Club will play for Saturday and every Saturday during November. Apply to B. Morley, 42 Henderson-avenue.

City Teachers will play Arts a faculty game to-day at 4 p.m. City Teachers will play Arts a faculty game to-day at 4 p.m. City Teachers will play Arts a faculty game to-day at 4 p.m.

At a meeting in the Labor Temple-to-day, the subject of "The Saturday Half-Holiday" will be discussed. Rev. Dr. Miligan, one of the prominent labor men of the city will open the discussion.

Frank Morrison has been rooming at 125 Sydney-street. He has been out of work. Yesterday he drank and was disarranged. He made a disturbance at the house, and when ordered out broke some of the furniture. He was arrested, charged with being drunk.

The Church and Labor Conference will hold a meeting in the Labor Temple-to-day, the subject of "The Saturday Half-Holiday" will be discussed. Rev. Dr. Miligan, one of the prominent labor men of the city will open the discussion.
