

# Leather May Be Scarce, But The Simpson Shoe Stock is as Great as Ever And Simpson's Values Are Always the Best That it is Possible to Get

The demand for Boots, Leggings and Military Equipment generally has caused tremendous inroads into the world's leather industry. Due to our advantageous buying we are able to give surprisingly good value in Men's and Women's Shoes and because of our resources in the world's markets we are able to offer extensive ranges in both men's and women's leading shoe styles.
