POLES AND SOVIET BREAK OFF ARMISTICE NEGOTIATIONS Canada and British West Indies in Pact to Lower Tariff Bars

TROOPS ATTACKED IN ARMORED CARS ON CORK STREETS

Much Firing on Both Sides,
but No Casualties Are
Reported.

MAGISTRATES RESIGN

Dublin, Aug. 3.—Collisions between
Sinn Feiners and troops in armored
cars occurred in Cork Monday night,
and there were clashes with patrols
in the suburbs of Blackpool. There
was considerable firing by both sides,
but no casualties have been reported.
Disorders also are reported to have
taken place in Londonderry and other
places. More barracks and court
houses were burned. Two mail trains
bound for Dublin were held up near
Athlone today. All the mails were
removed, presumably for examination
and the abstraction of official de-
patches.

CANADIAN-WEST INDIAN TRADE PREFERENCE NOW MATERIALLY INCREASED

In Some Cases Advance is
Made From Present
Twenty Per Cent. to Fifty
Per Cent.—Steamship Ser-
vice to be Enlarged as Soon
as Possible.

Ottawa, Aug. 3.—(By Canadian
Press).—The new trade agreement
concluded between Canada and the
British West Indies was made public
today. It increases in certain in-
stances, the present mutual prefer-
ence of twenty per cent. to fifty per
cent.; it extends the free list; it pro-
vides for an increased steamship ser-
vice—with a weekly service between
Canadian ports and the eastern group
of the British West Indies and a fort-
nightly service between Canadian
ports and the western group. The
weekly service is to come into opera-
tion "as soon as possible, and in any
case within three years"; the fort-
nightly service with the western
group is to come into effect not later
than January 1, 1921. The agreement
provides that the various governments
of the British West Indies will con-
tribute towards the necessary sub-
sidies.

against Walter H. Russell of Port
Arthur, charged with cutting timber
in New Ontario on lands to which he

PEACE NEGOTIATIONS OF THE POLES AND REDS HAVE BEEN BROKEN OFF

Soviet Declares It Was Due to
Misunderstanding and
Proposes Conference at Minsk
Wednesday — Bolsheviki
Everywhere Are Pressing
on Their Attacks.

Warsaw, Aug. 3.—The breaking off
of the negotiations between the Poles
and the Bolsheviki, out of which it had
been hoped would come an armistice
and the early cessation of hostilities,
was due to a misunderstanding, ac-
cording to the contention of the Rus-
sian soviet authorities, in a wireless
despatch received here today. The
latest communication from the soviet
suggests that negotiations both for an
armistice and for peace be held in
Minsk Wednesday.

POLAND HOPEFUL OF LENIENT TERMS IN PEACE TREATY

Presence of Soviet Premier
in London Held to be
Good Sign.

MUST PLACATE ALLIES

London, Aug. 3.—The presence in
London of Leo Kamenef, president of
the Moscow soviet, and acting premier
of soviet Russia, and Leonid Kraasin,
Bolshevik minister of trade and com-
merce, who are to confer with allied
representatives here, is regarded in
Polish circles as having a most impor-
tant bearing on peace negotiations be-
tween Poland and the soviet govern-
ment. In this connection the follow-
ing statement was made by a Polish
official to the Associated Press today:

"If economic conditions in Russia
are still as bad as we have reason to
think, it would be foolhardy for the
soviet government to antagonize the
allies by trying to impose drastic peace
conditions on Poland. I believe that
the allies, thru Kamenef and Kraasin,
can exert sufficient pressure on the
Moscow government to secure terms
which Poland can accept."

OTTAWA STILL MUM ON RUM-RUNNING

Ontario Government Con-
tinues to Receive Appli-
cations to Join Police.

It looks as if Ontario will have to
depend upon its own officers to en-
force the O.T.A. The attorney-general,
Hon. W. E. Raney, has requested the
assistance of the Royal Canadian
Mounted Police, but so far the Domini-
on authorities, beyond acknowledging
the attorney-general's letter, and say-
ing that the request would be con-
sidered, have remained silent.

GAELIC LEAGUE WAS UNMOLESTED

Organization Last Year Was
Proclaimed Illegal—Penal-
ties for Attendance.

Dublin, Aug. 3.—No attempts were
made by the government to interfere
with the convention of the Gaelic
League today, although the organiza-
tion last year was proclaimed illegal
and attendance at its branches was
announced as punishable by imprison-
ment. Delegates were present today
from all parts of Ireland, among them
several for whom warrants had been
issued.

WILL TURN ISLANDS OVER TO GREECE

Italy Will Ask Only Modifica-
tion of Plebiscite Anti-
cipated in Rhodes.

Paris, Aug. 3.—It is hoped that an
agreement between Italy and Greece,
relative to the Dodecanese islands, will
be reached in time for the signing of
the Turkish treaty without delay on
Thursday, says The Temps today.

FIGHTING WILL CONTINUE

The military action is regarded by
some as distinctly favorable to the
Polish forces. It is believed, however,
that fighting will likely continue until
an armistice is actually signed.

On the other hand the authorities
assert that the resignations were due
to Sinn Fein terrorism.

Cork, Aug. 3.—A resolution urging
that the landing of Archbishop Mannix
of Australia in Ireland be signalized
by bonfires and general illumina-
tions next Saturday night and that
meetings of protest be held against
Irish tyranny and an insult to a great
Catholic prelate, was passed at a

ACADEMIC HONORS TO NEWSPAPER MEN

General Sir Arthur Currie
Presides When McGill
Confers Degrees.

Montreal, Aug. 3.—(By Canadian
Press).—It was typical of the first
occasion on which General Sir Arthur
Currie presided over a public con-
vocation of McGill University as prin-
cipal and vice-chancellor that the
function should be one of empire im-
portance, for the conferring of the
highest academic honors within the
gift of McGill upon four newspaper
men, representing Great Britain and
other far-flung dominions, delegates
to the Empire Press Union, to
meet this week at Ottawa. Sir
Arthur was quick to grasp this evi-
dence of imperial solidarity in this
unique function. He expressed his
pleasure that at the universities
were recognizing the value of the
profession of journalism, and especially
that of the far-flung dominions,
as Canada's imperial uni-
versity should take the lead in im-
printing on the public mind the uni-
versity's appreciation of the services
to the empire of the fourth estate.

ALCOHOL SEIZED IN RAID MYSTERIOUSLY DISAPPEARS

St. John, N.B., Aug. 3.—The mys-
terious disappearance of several thou-
sand dollars' worth of alcohol, after it
had been seized by the chief inspec-
tor's department here, has had a new
twist thrown on it, when it was learn-
ed tonight that seven casks, contain-
ing 210 gallons of alcohol, which had
been taken in a raid on a hotel in St.
Leonard's, on the upper St. John
river last Saturday, had been stolen
and are now, it is presumed, on their
way to Bangor or some other point in
Maine.

United States railroad officials an-
nounced tonight.

Exchange Telegraph Co. from Rome,
says, quoting advices received from
Avlona, that the accord between Italy
and Albania was due to be signed
today.

AWAIT REQUEST OF ONTARIO.

Ottawa, Aug. 3.—(By Canadian
Press).—"If they will tell where the
actual trouble is we will soon have
action down there to clean it up,"
said Hon. J. A. Calder this afternoon,
when shown a despatch from Toronto
commenting on the condition of affairs
in Windsor, Ont., and vicinity. "We
have told Mr. Raney that we are will-
ing to do this, and it is now up to
the Ontario government to co-oper-
ate," added the minister. He ex-
plained that, as in the case of the
Winnipeg strike, the R.C.M.P. can
only be used on request from the pro-
vincial authorities. "We cannot issue
a blanket order," he added, "and so
far as customs officers go we have
special police on the job there."

HAIR FALLS IN WINNIPEG.

Winnipeg, Aug. 3.—A very heavy
shower fell over Winnipeg this after-
noon, accompanied by some hail. If
the rain is at all general it will prove
a great benefit to the crops.

MUST MEET WAGE AWARD.

In speaking of the application for
a 30 per cent. increase in freight rates
at present before the board of railway
commissioners, Mr. Hanna said that
to meet the wage award, which will
be made to Canadian employes, but
that he was not aware of the amount
of the increase to be asked for by the
railways.

The unveiling ceremony, performed by Major Knowles of Toronto, was held on August 2 on the occasion of the reunion of the old boys of Tottenham.

CALL FOR IMPEACHMENT OF WINSTON CHURCHILL

London, Aug. 3.—A remarkable mo-
tion, demanding that the government
arrest and impeach Winston Churchill,
secretary for war, at the bar of parlia-
ment, "for violating the constitution
by using British military resources to
assist reactionary elements in Europe
to make war against soviet Russia
without the consent of the British
parliament or people," will be sub-
mitted by the Independent Labor party
at the annual conference of the Scot-
tish Labor party in Glasgow, Sept. 25.
This announcement was made by offi-
cials of the Independent Labor party
today.

Economic War in Ireland Between North and South

Dublin, Aug. 3.—Indications of an
outbreak of economic war between
North and South Ireland are increas-
ing as a result of the expulsion of
Catholic workmen from shipyards and
other industrial concerns in the north
by their Protestant fellow workmen.
It is thought in some quarters that
this will be the next move to add
to the already great embarrassments
of the country.

DEBDES TAKES A HOLIDAY.

Herbert Me. Aug. 3.—Sir Ap-
land Geddes, the British ambassador

today for a three weeks' vacation at
his summer home. There was no

absolute rest.
