I COUTTO From Family

A Chesterfield suite is the heart and soul of the Living Room-the biggest lift and the biggest kind of a Gift to start a young couple out.

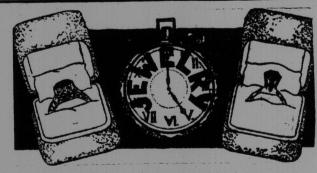

Both street floors at J. Marcus, Ltd., are devoted to displays of Chesterfield Suites-you'll find nothing like it outside the big American stores. Their far larger patronage permits quantity cash buying resulting in prices without equal. For one example there is a suite now in the window of \$325 grade-yet Marcus' offer it for \$247.

Do your week-end shopping Friday, Friday evening and Saturday morning. You will thus applaud the thoughtfulness of most of the leading stores in letting their tired staffs cease work at one o'clock every summer Saturday. We have no excuse for being open Friday evenings other than'to serve the needs of the public in return for the Saturday half holiday that means so much to the health and happiness of sales clerks. Show that you, too, have a heart. See our Friday specials.

Open Friday night, closed Saturday noon.
