WAS TEACHER HERE FOR FIFTY YEARS

Miss Kate A. Kerr Passes Away in Mater Misericordiae Home.

The death of Miss Kate A. Kerr, daughter of the late John and Bridget Kerr, occurred this morning in the Mater Misericordiae Home after a lengthy illness. Miss Kerr was well and favorably known in the city, as for nearly fifty years she was a member of the local teaching staff, relinquishing her work about three years ago, when her failing health no longer permitted her to continue. During this time she had been principal of the Madras school in Elm street, the old Newman street school, and finally vice-principal of Dufferin school. She commenced teaching in the Town of Portland in 1872, and joined the Dufferin school staff in 1889. She retired at the end of June, 1921. Many who owe much of their later life success to the careful training received under her direction and to her good influence will think of her kindly today and be numbered in the long list of those who mourn her death.

Miss Kerr is survived by one sister, Mrs. Ella Higgins of this city; two nephews, Dr. J. Kerr Higgins of this city, and James Higgins of the United States; also three nieces, Sister Mary Aquinas of Moncton, Miss Ella Higgins of the local teaching staff, and Miss Carol, at home. The funeral will take place from her sister's home, 124 Metcalfe street. The interment will be in the new Catholic cemetery.

Paye Tribute.

Dr. H. S. Bridges, superintendent of schools for St. John, said today, when told of Miss Kerr's death, that she was one of the best teachers on the staff of the old days and one who was always at her post until failing health compelled her to relinquish her school after nearly half a century of faithful service. He said that she was one of the oldest teachers in point of service in the city. He learned of her death with a feeling of great regret, as he had been associated with her for many years in school work.

SEES A GOOD

SEASON IN THE POTATO TRADE

A. D. McCain, president of the McCain Produce Company of Florenceville, N. B., was in the city today completing arrangements for potato shipments to Havana. He said there will be weekly sailings from this port and probably from five to six shipments monthly. He estimated that each shipment would total approximately 16,000 sacks. The company is also starting shipments of certified seed and expects that at least 12,000 barrels will be exported. With reference to the crop of potatoes this year he said that "it is good and the quality excellent. The price at the present time is low although the market in Havana is in a healthy state. Last year the number of sailings from this port, he said, were 45 and he expected as many if not more this season. Speaking about the potato shed in West St. John, he said it had proven invaluable to the shippers and had greatly facilitated the handling of the large shipments.

ST. JOHN IN NEW YORK

A letter from New York, dated from New York, says that he and Mrs. Belting recently had supper with Dr. and Mrs. King in New Rochelle. Dr. King formerly lived in Hampton and took a course in psychiatry with the expectation of being attached to the public health department of the city. That did not materialize and he is now attached to the staff of an eminent specialist in New York.

Mr. Belting also writes of meeting at dinner at the home of Mr. Love of New York, who is the owner of the Yarmouth Inn, the summer hotel at Yarmouth, N. S., a former St. John man, R. Chip Golding, who is now a very successful salesman for Thomas Edison & Co. in New York; also that he met Jack Boyd of Fredericton in New York last week, and was about to pay a visit to Mr. R. D. Christie of this city, who has been visiting New York for some time.

STREET RAILWAY WORK.

A start will be made tomorrow morning on the excavation preliminary to the extension of the street railway from the present terminus in Fairville as far as Moore's Hill in the Manawagonish road, so M. A. Pooler, general manager of the N. B. Power Company, announced this morning. The ties and rails will be placed on a foundation of broken stone. New rails for the section of track between the Provincial Hospital corner in Fairville and Tilton's Corner, in Lancaster avenue, are now on the site and Mr. Pooler said the work of replacing the old line with the newer equipment will start as soon as the Lancaster people are ready to go ahead with the paving work in that street.

SCOUT LEADERS HIKE.

Sixteen Boy Scout patrol leaders and troop leaders started out from Haymarket Square on Saturday afternoon and hiked to Battery Point, where they had supper in true scout fashion with a council fire and a camp-fire discussion in which all took part. Leonard Johnston, district secretary, was in charge. The troops represented were No. 1 Knox church, which is resuming its activities after a lapse of two years; No. 6, Edith Avenue; No. 7, St. John's (Stone); No. 17, Trinity, and No. 19, St. James' church. Mr. Johnston gave the boys of his party a talk on patrol leadership.

A FUTURE PLEASURE.

The management of the Arena had arranged a treat for the children of St. Patrick's Orphanage on last Saturday afternoon, but those in charge of the little ones were unable to accept the kind offer on that occasion. It had been planned to bring the orphans to the Arena and allow them to enjoy the afternoon roller skating and eight automobiles had been secured for their transportation. The management are still anxious to give the children this treat and will endeavor to arrange to accommodate them next Saturday at 2.30. Some other date in the near future.

BOWLING CHALLENGE.

Archie Copp and Roy McIlveen, two high-rolling candlepin hitters, are early feeling the urge to combat. This morning they issued a challenge to any two bowlers in the city to meet them for a five-string total on the Imperial bowling alleys on Tuesday evening. They ask that any taking up the challenge reply through The Times-Star. Challenge matches came to be quite a feature of the local alleys last year and in one or two preceding and they generally drew a good gallery of interested spectators. The early start this season speaks well for the outlook for the game in 1924-25.

She is survived by three brothers, Charles and William of Butte, Montana, and James A. of Boston, and four sisters, Mrs. H. Robinson of Cambridge, Mass.; Mrs. G. THEY WILL HAVE ELECTRIC LIGHTS

Extension of Power Co. Service at Little River Being Made.

Another important extension of their domestic lighting services is being made by the New Brunswick Power Co., which will serve the people living along the road between the St. John Dry Dock at East St. John and Red Head. At Midwood, Little River, an extension is being erected from the main line in the Red Head road to take care of about 25 customers residing in the subdivision.

M. A. Pooler, general manager of the Power Co., when asked about the matter this morning said that an agreement had been entered into between the company and the Dominion Government whereby the company would be permitted to take on other customers along this line which was originally erected to serve the direction finding station at Red Head. Hitherto the only consumers which were receiving current from this line were located in the vicinity of the government station. The new arrangement will permit all those living along the line to receive current therefrom and it is expected that in the vicinity of 80 families will take advantage of the service.

RESIGNS AS ORGANIST AFTER NOTABLE SERVICE

After 40 years as organist and part time as choir leader of St. Paul's Church, T. Percy Bourne, has resigned and plans on resuming his earlier activity in musical circles. After this long period Mr. Bourne was beginning to feel the strain that his duties imposed on him and expressed a desire to retire. Four years ago he tendered his resignation and although it was accepted he remained on duty until a successor could be secured. At that time he was made the recipient of a beautiful gold watch and a gold headed cane. J. P. Browne, who was organist at St. Paul's church, has been secured for St. Paul's church and this gives Mr. Bourne an opportunity to retire.

DEALT WITH ON ASSAULT CHARGE

Harry Wilson and Louis Doyle were fined \$20 or two months in jail each in the police court this morning by Stipendiary Magistrate Henneberry on a charge of assaulting two Danish sailors, Alexander Soranoni and Winer Balander, in Main street early on Sunday morning. The accused pleaded guilty. No evidence was taken. The two young sailors, who had been held as witnesses, were informed that they were at liberty to go. Stipendiary Magistrate Henneberry said he was very sorry that they had been confined to jail for so long.

The trouble, it was said, took place at the corner of Sheriff and Main streets when the sailors were going to West St. John to board their vessel. Both said the defendants had accosted them and asked for money and when they were refused they attacked them. Their cries for help brought Police Constables Killen and McCaulay to the scene and the arrests followed.

ADDS A LITTLE TO MILK FUND

Along comes Murray McNeil to help swell The Times-Star fund to provide milk for the babies. Murray lives at 123 Wright street, and he held a bazaar there and made \$1.80. He is a little lad in the second grade at school and he has made an early start in good work for others. His bazaar receipts are very welcome. He made his contribution through Mrs. Richard Hooper of the Women's Council committee. The fund has not yet reached \$1,000, but it is slowly gaining. It has been well supported, but there must be others who could add to it and it will not be closed just yet, in hope that there will be further receipts.

ENGAGEMENT.

W. E. Jewer of Goldbrook wishes to announce the engagement of his daughter, Helen Elizabeth, to Oliver Ormrod, Jr., of St. Stephen, the wedding to take place on October 8.

As Hiram Sees It

"I see they're going to have a Children's Week," said Mr. Hiram Hornbeam to The Times reporter. "And very properly," said the reporter. "The children are the men and women of tomorrow." "I s'pose," said Hiram, "they'll give that vocational school a boost—won't they?" "Oh, that involves taxes," said the reporter. "That's quite different from paying for the children and giving them good advice—which is much less expensive." "Do you s'pose they'll say anything about that juvenile court?" queried Hiram. "Taxes again," said the reporter. "The charm of Children's Week is that it exalts the children without depressing the pocket-book."

"I guess you're foolin'," said Hiram. "I callate that right after Children's week you'll see that school goin' up an' folks sayin' you got to hev a juvenile court right away. Yes, sir—that's what I'd expect from the people of this here pro-gressive Christian town—as I would."
