Charlottetown, Jan. 10—At a meeting of the executive of the Temperance Alliance today, a resolution was passed protesting against what it contended was the illegal dismissal of the prohibition commission on January 1, and the illegal appointment of a new board. The alliance charges political interference and also maintains that the former commission, appointed by the Liberal Government, was to hold office under the statute until anuary 3, 1925, and could not be removed before then.
