TROUBLE BEHIND SCENES

The Waitress and the Busy Chef; Then

The April term of the Supreme Judicial Court in Bangor has been much taken up with divorce cases. Up to noon on Saturday seventy-five divorces had been granted and there were still morning. The girl said that the bead cook had assaulted her on Friday of utter desertion. It is especially worthy of note, since Maine is a prohibition state, that nine women were granted a divorce because of gross and confirmed addivorce because of gross and confirmed habits of intoxication on the part of their husbands.

WHY NOT CLEAN UP FOR ST. JOHN?

Some Things It Would Do For Benefit of All

HEALTH AND SAFETY

Details of Montreal's Plan For May 18-23-Antigonish, N. S., Ladies Plan to Offer Prizes in Six Branches

Let's make St. John the cleanest city in the world. The cleanest city in the world is the best city in which to live; best because healthiest; best because fewest fires; best because the most beau-tiful. Cleanliness is the best life insurance and the best fire insurance.

A strict observance of "clean-up" week would greatly aid the work of fire protection.

Authorities agree that thoughtless, careless and uncleanly housekeeping ac-count for more than half of all the fires, A clean-up week would help to reduce infant mortality by bringing about clean homes and surroundings, which are of first importance for the health of the baby all the year round, but especially
