# HAVE PURE BLOOD

Hood's Sarsaparilla Makes Pure, Rich,

Your heart works night and day with-out a pause. It is the principal organ of the circulation of your blood. It is of of the circulation of your blood. It is of the utmost importance that it should do its work well. The quality and quan-tity of your blood have much to do with its action. If this fluid is pure and abundant, your heart and other vital or-gans act with more energy than when it is defective in quality or deficient in

quantity.

Hood's Sarsaparilla makes the blood pure and abundant. It is the one old reliable medicine, that has been sold for forty years, for purifying the blood. There is no better blood remedy, appetizer, stomach tonic. It embodies the careful training, experience, and skill of Mr. Hood, a pharmacist for fifty years in its quality and power to cure.
