No. 6 District Depot (CA)

Reference your H.Q.C.55-M-1115 Admin.3(c)4, dated the 25th of March, 1944.

1. The proceedings of this Court are returned, the amount of \$6.55 having been remitted and duly promulgated.
2. With reference to the disciplinary action directed to be taken against Lieut. Dunphy. This matter was investigated and it was found out that the person responsible for the incorrect addition was someone in the Office of the S. & T. However, due to the large number of these forms they have to complete, it has been impossible to place the responsibility on the actual person who prepared the form. Orders have been issued that in future when any one of the staff of the S. & T. Office prepares these forms, they shall also attach a signed statement giving the name of the person who prepares the forms, so that in future these mistakes will not occur.
