At this fire some lives were very nearly lost. When the fire first broke out, some lady occupants of the lodging rooms over the furniture store became panic-stricken, and it was with great difficulty that the firemen and citizens had to, by main force, drive the women from the burning building. It is reported to-day that Mr. Jones will not likely rebuild John Dern, a well known mining man of Salt Lake City, and president of the Con-Mercur of Utah, has just returned from a careful inspection of Franklin camp, and particularly the Maple Leaf property. In speaking of the Maple ard sweep of the horns as Leaf, Mr. Dern said: "While there is ore bodies. I consider the surface showings are excellent, and it has every appearance of becoming a mine." He further added that he fully expected his company to acquire the Maple Leaf and work it on a very large scale. During his trip to Franklin camp he was accompanied by George A. Mc-Leod, who recently banded the Maple

## ANOTHER RAILWAY

BELLA COOLA TO BE ITS OCEAN OUTLET

In the water-100 yards swimming race; Seeking Incorporation at Next Session - C. J. South Superintendent Under Children's Protection Act.

(From Friday's Daily.)

Already notice is being given of application at the next sitting of the legislature for the incorporation of a railway company from the neighborhood of the Yellow Head Pass to Bella Those wishing further particulars can Coola. The solicitors for the applicants are Wilson, Senkler and Bloomfield, of Vancouver, and the notice appears in this weeks' Provincial Gazette. Whoever may be back of the scheme the general route selected is one which has always been looked upon as likely to be eventually the way for a railway across the province.

The company will ask power to build, equip, maintain and operate a line or lines of railway from a point "The hospitality of the Canadians at or near the head of Clearwater lake at the head of the North Thompson one of extreme friendliness and of a river, Cariboo, in the province of Briively interest in our suggestions and tish Columbia, to the forks at the north ideas.
