FAMOUS PLAYER'S DEATH.

A tragic discovery was made recently in A tragic discovery was made recently the bottle works in Camiachie, Giasgow, when the body of Michael M'Keown (33) ropes. No harm was done, however, the blows being weak. Fitz missed a hard left to the law, the selection of the lime kiln. The deceased was seen about seven o'clock in the morning in the bottle works, where he usually slept at night, and was not seen again alive. The casualty surgeon, who examined the body, was of pinion that death was due to asphyxia.

M'Keown was a well known footballer in his time, having played for the Celtic club.

Mick M'Keown will live in the annals of football for his grand play in the international match at Hampden, Glasgow, in the floor, but Fitz assisted him to his feet. 1890. In that game he partnered Walter Gardner sent a straight left for Fitz's Arnot, and the pair gave a great display and saved Scotland from defeat, the result being a draw of one goal each. M'Keown learned his football at Lugar, Boswell, head. Fitz missed a swing for the head, Ayrshire, where he was born. He afterwards joined the Hibs, and then went to left to the body. Gardner then hit Fitz Caltie in whose ranks he reneatedly show. Ayrshire, where he was born. He after-Celtic, in whose ranks he repeatedly showed good football. At the same time he car-ried on licensed premises in the east end rights to the body, and Fitz sent him back of Glasgow. Blackburn Rovers afterwards with a swing to the head. The bell rang secured his services, where he played for several seasons. In 1897 he returned to Scotland, and again played for the Hibernians, and was subsequently seen in the ranks of several clubs, including Fair City Athletic at Perth.

THE RING.

OLD FITZ STILL ON DECK. Old Bob Fitzsimmons defeated Geo. Gardner swung a right to the body, and in a mix-up landed several rights and lefts to awarded the decision after twenty full the body. They clinched, and the referee rounds. He plainly showed that, despite could hardly separate them. Fitz sent a his age, he was far above Gardner's class, straight left to the face and both clung to Ald. McQueen has decided to accept nomination as candidate for the Electronal Union for the mayoralty. A three-treatment of the each of the mayoralty. A three-treatment of the each of th corner fight is thus assured, as both Ald.

Fitz forced Gardner to the and one tablet taken after the meal will put in a left to the body. They came to a and Hall & Co.-24.

| mix-up, Gardner being desperate and rush Dog puppy, Real John-Alberts Rosalind, ing. He was bleeding from the nose. Fitz swung left and right to the face and forced Gardner to a clinch. Fitz laughed and tried to create an impression of being Dog puppy, Rumney Ranger-Alberts Nora, tired. Gardner drove in two lefts and a right to the body. As the gong rang Gardner put in left and right to out apparent damage. Fitz had the crowd

or actually tired. The sixth and seventh rounds were very tame, and the crowd broke into jeers and hisses at intervals.

Fitz had the advantage in the eighth round, showing improved speed. In the ninth Gardner chased Fitz around the ring considerably, but the old man took things sily, waiting to deliver his celebrated knock-out. Gardner drew blood from but the Cornishman took the blows in

The eleventh round was plainly the old fellow's. Just as the gong rang, he sailed Vancouver plays in this city with the in with a left swing to the jaw, staggering

The pace slewed down again in the twelfth round, while the thirteenth wasn't much better, with the exception of the latter part, when Fitz swung a hard right

reorganization put players together on the half and three-quarter line who were not acquainted with each other's style. The result of this was apparent. Although all the three-quarter men were first-class players, together they did not put up the graph of the players, together they did not put up the graph of the players. The clinch is nose, and as they went to a clinch the crowd hissed Gardner for hitting in the clinch. Fitz swung his right to the jaw and sent Gardner against the ropes. He followed him around the ring and missed a right swing that would have ended the aright swing that would have ended the The local players, are however, by no means discouraged. As already stated ner went to his corner groggy. Fitz ap-

> Fitz completely out-boxed his adversary fight.

In round seventeen they spent much time opening. Fitz got a light one to the face and missed a right for the body. Fitz was short with a straight left for the body, and Gardner put in a right to the head hook for the body, and they went to a mixup, in which the Australian did some clever blocking. Gardner put his left high on the body, and Fitz missed a left swing for the jaw and body. Gardner sent a hard right to the jaw at the end of the round.

Nothing startling occurred in the eighnose and followed it with two more weak lefts to the face. Fitz swung a left for the head, but it went around and Gardner rushed in and got right and referee. Gardner then got in several good with Gardner fighting flercely and he succeeded in landing several short arms to Fitz's stomach. As usual both were weak, In the last round, Fitz missed a straight left for the face and then went to a clinch. Fitz led with a left for the face. In a mix-up Gardner bombarded Fitz's stomach, but the blows were all blocked. Gardner blocked two left swings for the body.

Fitzsimmons, who was greeted with cheers.

Paris has no less than 1,216 classes of workmen. There are, for instance, 386 classes engaged in the chemical trade and
