other man employed in the Scott-Falls Manufacturing Company. One day Tom had a job to mend a broken mowing machine and reaper, for which he had received five dollars and on the following morning he started out for his old haunt the village tavern. He knew his wife sadly needed the money, and that his two little children were in absolute suffering from want of clothing, and that morning he held a debate with the better part of himself, but the better part had become

up and regulate a steam engine-and

very weak and shaky, and the demon of appetite carried the day. So away to the tavern Tom went. For two or three hours he felt the exhilirating effects of the alcoholic draught, sing and laugh; but as usual, stupe- habits. faction followed and the man died out. He drank while he could stand, and Tindar on the street. then lay down in the corner, where his

companions left him. It was late at night, almost midnight forsaken us, Tom? when the landlord's wife came into the bar-room to see what kept her husband

up, and quickly saw Tom. "Peter," said she, not in a pleasant mood, "why don't you send that miserable Tom Darcey home? He's been hanging around here long enough."

Tom's stupefaction was not sound aleep. The dead come had left the brain and the calling of his name stung the landlord. In other years he had ed by that tinge of warmth and brightloved and woced the sweet maiden | ness."-Temperance Herald. Ellen Goss- and he won her, leaving Peter Tindar to take up with the vinegary spinster who had brought him the taver, and he knew that lately the tapster had gloated over the misery of the woman who once discarded him. "Why don't you send him home?" demanded Mrs. Tindar with an impa-

tient stamp of the foot. "Hush, Betsy! He's got Let him be, he'll be sure to spend it. before he goes home. I'll have the kernel of the nut, and his wife may have the husk !"

away, and shortly afterward Tom Darcey lifted himself upon his elbow.

"Ah, Tom, are you awake?" "Then rouse up and have a warm

"I have kept you waiting, Nellie." "Tom !"

"I did'nt mean to, but the work this latter he could do better than any hung on. Tom. Tom! You have been to the old shop."

"Yes, and I am to have the old place, and--" " Oh. Tom !" And she threw her arms around his

neck and covered his face with kisses. "Nellie, darling, wait a little and you shall have the old Tom back again." "Oh, Tom. I've got him now, now -bless him! My own Tom! My husband, my darling !" And then, Tom Darcey realized the

full power and blessing of woman's love. On the following Monday morning, Tom Darcey assumed his place at the head of the great machine shop, and those who thoroughly knew him had no and fancied himself happy, as he could fear of his going back into his old A few days later Tom met Peter

"Eh, Tom, old boy, what's up? Yes-I see. But I hope you haven't

"I have forsaken only the evil you have in store, Peter. The fact i, I concluded my wife and little ones had fed on husks long enough, and if there was a kernel left in my heart or in my manhood, they should have it." "Ah, you heard what I said to my

wife last night? "Yes," Peter, and I shall be grateful his senses to keen attention. He had to you for it as long as I live. My rean insane love for rum, but did not love | membrance of you will always be reliev-

The Lepers' Home.

MEN AND WOMEN WAITING FOR THE DRY

A matter which, from its peculiar horror, I am not likely readily to forget. was a visit made to the Hospital de San Lazaro, at Havana, the home of the This ancient and terrible dis lepers. ease finds many victims among the low TWO TRIPS A WEEK. cast Cubans and the poverty-stricken Chinese, though it reaches its gaunt fingers into better society sometimes Leprosy is either inherited, or induced by poor food, and especially by the eating of stale fish. It seems to be a fisheater's disease, in fact, seldom prevailing at any great distance from the sea. ing at any great distance from the sea.

Leprosy as seen in the West Indies, is simply a dry rot. The soul of a man is imprisoned in his body long after he is, to all intents and purposes, dead, and, clubb & Co., Chubb's Corner, Prince William to all intents and purposes, dead, and, with all his mental faculties intact, he must endure the gradual falling apart

of his earthly tenement, awaiting with ing up his coat by the only solitary button left, "I know it won't."

of his earthly tenement, awaiting with what philosophy he may, the hour when the cancerous agent shall touch a vital point. This may not occur for many years; it may happen to-morrow. The traditions of the hospital do not point EYE GLASSES. to any individual case of cure whereby "Aye," he muttered, grinding his hope. It might well be inscribed over the patient may gain ever so faint a the portal: "Let those who enter here leave all hope behind."

In form the hospital is a large quadrangle, centering upon a chapel. A and the women. We entered the male department first. The leading peculiar-It was a revelation to the man the ity of the first patients met loitering in tavern keeper's brief speech, meant not the corridors, was a claylike appearance for his ears, had come upon his senses as fell the voice of the Risen One upon Sonl of Transport nostrils and lobes of the ear were globu-"We'll see," he replied, setting his lar, and holes were formed over the foot firmly upon the ground; and then eyebrows. The voices of the men were nearly all changed, sounding indistinct On the following morning he said to and painful. Patients were bidden to approach, who hobbled to us upon the 'Ellen have you any coffee in the stump of limbs long since robbed, by the process of disease, of feet and ankles, and they held out for our inspection She did not tell him that her sister | miserable remnants of arms, shriveled, had given it to her. She was glad to warped and decayed, and yet these arms

remove hats from matted heads of hair "I wish you would make a cup good when we tendered a few bits of Spanish currency. There was really music in Tom's We saw in these low corridors pervoice, and the wife set about the work haps forty men. Some were new comers, upon whom the disease had put but Tom drank two cups of the strong few marks as yet. Others were almost coffee, and then went out-went out ready to go to the hopeless ward above with resolute step, and walked straight where we presently climbed. Here, to the great manufactory, where he upon beds in a double row, were the vestiges of what had once been men-"Mr. Scott, I want to learn my trade corpses which breathed in speechless agony through the long week, and

pose was the attitude of despair. No "Tom!" cried the manufacturer, picture of Dore's illustrative of the starting forward and grasping his hand, Inferno could overdraw a scene like "are you in earnest? Is it really the this. Enough of this. It was the greatest relief that we walked across the "It's what's left of him, sir, and we'll pleasant garden, planted with bananas have him-whole and strong very soon if and figs, and entered the women's ward, under the guidance of a fat, but devout "Work! Aye, Tom, and bless you, Mother Superior. All respect to her too. There is an engine to be set up and her staff of nuns, who labor here and tested to-day. Come with me." Tom's hands were weak and unsteady, fainting steps upward and slaving but his brain was clear, and under his through the heat of years to alleviate skillful supervision the engine was set | the sufferings of those with whom they up and tested, but was not perfect. are appointed to live. The scenes amid There were mistakes which he had to the women were but a repetition of correct, and it was late in the evening | those across the rectangle.
