Bethlehem preferred rose to 119 1-2 with smart advances in common shares - Bank Loans showed gain of \$16,000,000 for the week.

New York, June 12.—Dealings in the stock market have been more than expressive had the movement shown greater breadth. Most of the standard shares were neglected, activity and greatest advances again conversing about war specialties and other stocks more or less remotely within that greated class.

special class.

For instance, Federal Mining and Smelting common and preferred one of the obsdure issues in the Guggenheim group, scored temporary gains of twenty and five points, respectively, shares.
