Boston, May 2—Habeas corpus proceedings were brought in the Supreme Court by Dr. Joseph Santosuosso against Warden Bridges of the state prison, with a view hay night and scored a big success, under the direction of Mr. Averill. The produc-tion is under the auspices of the School of testing the constitutionality of the electrocution law. It is contended that the statute is unconstitutional on the ground that the provision for death by electricity completed the purchase of the comfortable brick residence adjoining the property of Lady Tilley, which has been occupied for shment, which is explicitly prohibited by the constitution.
