NEW YORK, Feb. 3. SHIPWRECK AND BUTCHERY. A letter from Sydney, Australia, Dec 20th, says that last week, Her Majesty's 20th, says that last week, Her Majesty's ship Dido returned here from a cruise, bringing as passenger a seamen, the sole survivor of the crew of the bark Plato. The ship left here here for China with coal some months ago, struck a reef north of New Caledonia, the crew escaping in one of the hoats and making for Solomon's Island. On reaching their destination they were mercilessly slaughtered by the natives. The mate shot himself rather than be tortured by the savages, and the survivor was spared from the superstitious belief that, as half a dozen perstitious belief that, as half a dozen arrows by which he was pierced had not touched a vital part, it would be unlucky to attack him again. Fortunately the Dido hearing of a white man being in

captivity there, rescued him, and at the same time arrested three of the principal murderers, one of whom committed suicide by poisoning himself next night. It commenced at 10.30 a. m., Hon. David Clark, Liberal Republican of Hartford, presiding. Mayor Waler of New London moved to renominate the entire State ticket of the last election, Governor Ingersoll at its head. The motion was unanimously carried. The platform invites the cooperation of all; declares unfaltering devotion to the U. S. Constitution and the Union; that the people of the States have the sole and exclusive right of governing themselves as free, sovereign and independent States, subject only to the limitations contained in the U. S. Constitution; sesents the reserved rights of the States; denounces the Republican administration for incompetence, extravagance and corruption; demands retrenchment and economy; denounces all salary-grabbers, ring politicians and monopolists; appeals to all without regard to party affiliations to join the Democratic crusade; attributes the late panic to the Republican administration and promises a hearty support of the ticket. Near the close of the proceedings a resolution was adopted expressing in general terms sympathy with the Cuban Insurgents. The Convention adjourned with enthusiastic cheers for nominees.

Dr. J. Walker's California Vinpr. J. Walker's California vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked. What is the cause of the unparalleled success of Vinegar Bitters of Ninegar Pages? Our answer is, that they remove

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritions, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Bilious, Remittent and Inter-Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great-rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannan, Rocard, Japane, and many others, with anoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive de-rangements of the stomach and liver,

and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healtly functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Head-

the minities will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
