## "DOMINION .22's"

In three consecutive years of match shooting, in the Lord Dewar International Small Bore Competition, Lieut. James Boa of the Canadian Team has compiled the highest total score amongst all competing marksmen from the British Empire, the United States of America, and Canada. For this shooting Lieut. Boa used "Dominion" .22 Long Rifle Target Cartridges.

In 1938 D. G. Rae, high-scorer of the Canadian Dewar Trophy Team recorded another fine scoring performance for "Dominion" Target .22's.

### "CENTRAL V's"

Manufactured especially for marksmen who prefer a standard velocity cartridge, "Central

V's" represent the latest "Dominion" achievement in a premium cartridge which will deliver in high-grade target rifles the consistently close groupings demanded by small-bore riflemen today. All "Central V's" are subjected to individual, visible inspection. These cartridges are loaded with the finest available smokeless powder and have "Super-Clean" non-mercuric priming.

### "SUPER-ACCURATE LESMOK"

"Super-Accurate Lesmok", a standard velocity cartridge, has been long established as the choice of many expert riflemen. Loaded only in .22 Long Rifle with "Lesmok" powder and greased bullet.
