Oil is reported to have been discovered on the farm of Leslie Mitchell, on the Holden Road, in Westminister township, a short distance south of London, and close to Pond Mills. Mr. Mitchell dug a 75-foot well some time ago, and while at work detected a strong odor of oil. He tapped a vein and secured a sample, but that night a cave-in occurred. A pipe was then forced down and further samples secured at a depth of 85 feet. The strike is to be further investigated.

UNANIMOUS FOR HYDRO

Voting on hydro-electric in Glencoe yesterday resulted in almost a clean sweep in favor of establishing the system here. There are 293 property owners who were entitled to vote, including some 60 who are non-resident. The enabling by-law was carried without a dissenting vote, the number cast in favor being 187.

The debenture by-law was also carried almost unanimously, the vote being 184 in favor, 2 against and 1 ballot spoiled.

At a special meeting of the council yesterday morning the necessary contract with the Ontario Hydro-electric Commission was signed and was at once forwarded to Toronto so that the work of constructing the necessary transmission line might be proceeded with at once.

WILLING WORKERS ENTERTAIN

The Willing Workers of Glencoe Presbyterian church held their annual Thanksgiving supper and concert on Monday evening. Tables spread in the school room reflected more than ever the splendid taste of the ladies of the congregation in the culinary art. There was a beautiful supply of roast chicken, cold meats, pies and cakes and all the et ceteras of a good square meal. Upwards of three hundred were served during the early part of the evening.

Afterwards, in the auditorium, an exceptionally good program was given by local talent. J. C. Elliott occupied the chair in his usual affable manner. A college chorus by the choir was heartily received. Miss Pearl George and Marie Precious rendered pleasing instrumental duets. A reading, "Cept in Me," by Miss Mayne Grant was given with splendid expression, and the reading by little Miss Eliza McDonald gave promise of coming elocutionary talent. Miss Mayne Grant and Miss Mary Leitch, who sang a vocal duet, "Alabama Lullaby," showed talent and voice above the average. "Mother o' Mine" was the title of a beautiful solo rendered in splendid voice and with great expression by J. D. McAlpine. This was heartily enjoyed. Prominent among the best features of the evening were songs by the quartet, consisting of Messrs. Lloyd, Lethbridge, Troyer and Singleton. Their first selection, given by request, was the lullaby song, "To Little Lamb," to which the audience demanded an encore. Their second number, "Until Dawn," was also received with a lively manifestation of enjoyment, the voices blending most harmoniously.

Bright and witty addresses were given during the evening by Messrs. Lloyd and Garbutt and the chairman. Accompanists for the evening were Miss Marie Precious and R. Singleton. The ladies realized about \$110 from the evening and are to be congratulated on the splendid success throughout.

FAREWELL PARTY

About eighty guests were present at the home of Mrs. Effie Ferguson, Shields Sidg, Sept. 29, when the Ferguson's Crossing Needle Club and neighbors assembled to bid farewell to Mrs. Ferguson, who is leaving shortly to make her home with her daughters in Detroit. Mrs. Ferguson, who has been an enthusiastic worker and good neighbor, was presented with a purse of money and silver tea service and silver casserole from the society and neighbors. The address was read by Mrs. R. E. McAlpine and the presentation made on behalf of the Needle Club by Mrs. Neil McVicar and on behalf of the neighbors by Mrs. A. J. Purcell. Her brother, Hugh McCallum, replied on behalf of Mrs. Ferguson, thanking her many friends for their kindness. Mr. McVicar called the attention of the audience to the assembly program of songs, readings, addresses and music. The ladies served lunch and the evening was brought to a close after singing "God Be With You Till We Meet Again." Mrs. Ferguson leaves the neighborhood with much regret and the best wishes of a large circle of friends.

IN THE SUPREME COURT

(From a London paper)
George Cushman of Glencoe, who has occupied the house on the corner of Elizabeth and McKellar streets, Glencoe, will have to give up possession to the executors of the estate of Wm. Tait, Glencoe, under a judgment issued by the supreme court. He will also have to pay the costs of \$55.

M. J. McAlpine of Glencoe has issued a writ in the supreme court against George A. Rankin, Glencoe, to recover possession of a house belonging to the estate of J. Foster, barber, of Glencoe, for non-payment of purchase price, under agreement dated January 1, 1919. Elliott & Moss of Glencoe issued the writ.

ENTHUSED OVER HYDRO

At a meeting of citizens on Friday evening, called to discuss hydro-electric power, Mr. Pocock and Mr. McFarlane of the London hydro-electric department spoke of the many benefits that had accrued to the city through the introduction of the power there, and strongly advised Glencoe to take it on. It was also shown how hydro-electric had been a paying investment in the smaller towns as well.

Owing to the election campaign Sir Adam Beck was unable to be present at the meeting, which was largely attended. Mr. Holman, reeve of Newbury, and Mr. Reycraft, reeve of Moss township, reported their municipalities ready to welcome hydro. Newbury having been quoted a rate of \$67.10 per horsepower of the proposed Bothwell to Glencoe line.

MELBOURNE FAIR

DRAWING BIG CROWD

Melbourne, Oct. 10.—Tuesday's fair was one of the most successful ever staged by the Melbourne Agricultural Society. The attendance was in the neighborhood of 4,000, many of whom came from a distance. The number of automobiles was far in excess of any other year.

Live stock classes were well represented, especially in heavy horses. The showing in these was equal to that of any other fair in the district, both as to class and quality.

In sheep, the long-wool varieties predominated. All the principal prizes were divided between D. A. Campbell, Appin; Brodie Bros., Muncney, and Geo. J. Stephenson, Appin.

The entries in cattle were especially heavy. Exhibitors who annexed honors were: Gilbert Hyndman, Melbourne; Johnson Bros., Appin; D. A. McLean, Melbourne; Robt. Alexander, Mull; Norman Carruthers, Mull; A. J. Urley, Melbourne; James McRobert, Longwood; A. E. Perry, Melbourne; E. V. Thornicroft, Appin; Thos. Hardy, Melbourne; Geo. Hagerly, Melbourne; and Wm. McTaggart, Melbourne.

The prizes for hogs were divided between G. W. Stephenson, Appin; Robert Alexander, Mull; Wm. Warren, Longwood; and Francis Thornicroft, Melbourne.

Entries in the poultry classes were not heavy, but some fine birds were on exhibition. The judge in this class was David Bogue of Byron, well known as an exhibitor of prize poultry. The largest exhibitor and prize winner was B. C. Hoover of Mount Brydges.

Home cooking was a feature of the exhibition and occupied the whole of a large tent. The contestants for the prize for an ideal dinner certainly excelled in their efforts, and the trays containing these were closely surrounded by spectators all afternoon. Many showings of pastry and other kinds of baking were also on exhibit. The fruit and vegetable tent contained many fine specimens of agricultural prowess. Considerable interest was manifested in a large squash grown by Malcolm McNeil of Melbourne, which weighed over 25 lbs. In the hall ladies' fancy work occupied most of the space and contained a notably extended variety of lace and crochet work. Some extremely artistic quilts were also on view.

Another section was occupied solely by butter, which comprised about 30 entries. Much interest was evinced in a number of antiques, shown by Mrs. D. A. Campbell of Appin. Among them were very old candlesticks of silver and brass, pewter teapots, Indian relics, a set of amber beads, a powder horn, an old Gaelic Bible, and a piece of Scottish hand-woven linen over 100 years old, as well as some fine specimens of willow-ware china.

Three horse races were run off during the afternoon. All were hotly contested and some close finishes resulted. The only accident of the afternoon happened to Perkins of Middlesex, while warming up. He was thrown from his rig and escaped with nothing more than a slight shaking up. The results were:

Precedence—1st—Harris, Lambeth; 2nd—McKen, Adelaide; 3rd—Walker, Nileston; 4th—Miller, Shelden.

250 trot or pace—1st—Mackie, Strathroy; 2nd—Perkins, Middlesex; 3rd—Kerr, Dutton; 4th—Campbell, Lawrence.

Farmers' trot or pace—1st—McDonald, Christina; 2nd—Zavitz, Denfield; 3rd—Walker, Strathroy; 4th—James Locker, Melbourne.

The prize winners in light and heavy horses—Thos. Hardy, A. Stephenson and D. Hardy, all of Melbourne; McCallum Bros., Glencoe; John Chambers, Muncney; Wm. McTaggart, Appin; Oscar Davies, Denfield; D. D. Black, Dutton; Henderson Bros., Lambeth; J. C. Lamont, Komoka; B. C. Hoover, Mt. Brydges; Geo. Clark, Iona Station, and Allan McLean, Melbourne.

The best lady drivers were Mrs. A. Harold, Wardsville, and Mrs. James Hill, Strathroy.

FEW BOND BUYERS

AFFECTED BY TAX
It is interest That Will Be Taxed, Not the Principal

There is a general impression abroad that the total amount of money invested by any one subscriber in the Victory Loan 1919 will be subject to taxation. This impression is erroneous. It will be the interest from the investment that will be taxed, not the principal invested. As a matter of fact very few investors in the new loan will be brought within the scope of the Income War Act by reason of investments in Victory Bonds. With small estates and investors the law does not become effective under \$2,000 in the case of married persons or persons with dependents, and \$1,000 in the case of married persons without dependents. Municipalities and fraternal societies will not be subject to taxation in their investments in the loan at all. The interest from the bonds will not be more taxable than ordinary income, subject to the general law of the land.

A woman's idea of good luck is to find in the pile a pair of socks that doesn't need darning.

J. C. ELLIOTT RETIRES

J. C. Elliott, M. P. P. for West Middlesex for the last eleven years, and recognized as one of the ablest men in Ontario politics, has tendered his resignation to the Liberal Association of the constituency and will not be a candidate in the provincial election. This leaves a U. F. O. candidate of Liberal leanings, J. G. Lethbridge, and a straight Conservative, D. C. McKenzie, in the field.

Speaking to the meeting of Liberals at which he tendered his resignation, Mr. Elliott referred to the fact that since accepting the nomination of West Middlesex eighteen months ago a number of Liberal farmers who had supported him then were now full-fledged members of the U. F. O., and they felt it was in their interests to support the U. F. O. movement.

Mr. Elliott declared that in the main the U. F. O. policy was along the lines laid down in the Liberal convention in Toronto, and that he concurred with the Liberal executive of the riding in that it would be unwise to proceed further and therefore tendered his resignation as their candidate.

Mr. Elliott, who has stood alone time and again in his fight for the rights of the farmer in the Provincial Legislature, referred with feeling to the friendships he had made in his political career and expressed his appreciation and thanks to the Liberals who had stood by him so staunchly in past campaigns, and declared that there was no word of truth in the statements published recently in the Toronto Globe that he would probably identify himself with politics in Western Canada.

DAUGHTERS OF THE EMPIRE

Among the reports of various chapters read at the annual rally of the Daughters of the Empire held in London last week was the following concerning "Mordorion," a chapter, Glencoe, by Mrs. C. M. Wright.

We are in our second year's work, and have 64 members. Last November we sent our dues amounting to \$250. Each box contained a pair of socks, Christmas cake, tobacco and other good things. We have given three banquets to 40 of the returned men, wives and relatives. As each fled out they were given a pair of socks. We have still a number of pairs to hand out. From donations, teas, dinners, concert, etc., we have raised \$516.33, making a total of \$748.16. We propose to build a memorial hall in the spring and have already bought the property for \$1,000. I might say here that the junior chapter, which has only a few members, gave us \$75 towards the property. We intend to put forth a great effort to raise the money for the hall and carry on the good work.
