Canadian Federalism to be discussed

What is a Canadian? Is Canada just another third-rate non-power whose foreign policy consists of hackneyed cliches and studied inaction? Will the country last another decade?

For answers or at least food for thought on some of these questions, be sure to attend the Canada Teach-in to be held this year as part of the academic program of Varsity Guest Weekend. The panelist, many of them well-known academics and politicians, will attempt to grapple with the problems of modern-day Canada in what promises to be a thoroughly interesting series of sessions.
