Happy Birthday CM
Head Hall would be pretty dull without you walking in it's halls. We hear you whistle every day which means you must be happy in every way. You look to us no older than 29, But someone tells us, add 10 more for 39. We say, oh no, it couldn't be true! They ask, "Haven't you noticed some grey shining through?" We all at Head Hall would just like to say "You're a great guy, HAPPY 39th BIRTHDAY!"
