Re: Lalonde.

Dear Sir:

After writing you yesterday, I was called up by the office of the Attorney General and was requested to appear with a representative of the Attorney General, early next week and join in an application to have the charge, against the above, withdrawn.

This would mean that Lalonde would probably be out, about the middle of next week. I will wait a few days to report on this case, to the Department through you, that the case is closed.

Believe me sir,

Yours very truly,

(Sgd.) "C. E. GARIEPY."
