

a harmony unity & complete  
 ness to the whole, I knew  
 that it was present always  
 in your minds & needed not  
 words to bring it prominently  
 before you. I need hardly  
~~take you~~ turn over with  
 you the pages of history, perhaps  
 as they do at the head of every  
 movement leaders, whether  
 religious, social, political  
 or otherwise leaders of fame &  
 ability, or look with you  
 at the ~~case~~ book of nature  
 exhibiting on every side  
 the central life, & its  
 branches, the river with  
 its affluents, the vine with
