Hydro

November 13, 1933.

Mr. Wm. Mitchell,
President,
Circle-Bar Knitting Co. Ltd.,
Kincairdine, Ont.

Dear Mr. Mitchell:

I have your letter of 10th November.

I am not on the buying committee to
spend the Government's \$38,000,000 and cannot be of any
avail there.

I am, of course, on the Hydro Com-
mission still--how long no one knows--and will be glad,
if an opportunity occurs while there, to have Mr. McNeill's
stone given consideration. I know nothing about its having
ever been specified as yet.

Yours very truly,

AM/E.

Commissioner.
