18th May 8

Sir,

With reference to your letter of the 8th ult. I have to inform you that provided you can secure for the Department the 8 acres of land referred to therein, at the rate of \$10 per acre, and the title is a good one here will probably be found available except on or about the 30th June next. You should report as to title however previous to that date.

With regard to the concluding part of your letter there is no objection to your assisting any Indian who is quite unable to pay for such wood as may require for manufacturing purposes to obtain the same.

J. E. Beekwith Esq

Sir,

Canning
