Ottawa, 7th December, 1911.

Sir,

In reply to that portion of your letter of the 4th instant, in which you asked for a stove and certain other articles for use in Dr Fraser's office, I beg to say that it is not customary for the Department to supply furniture for the offices of medical officers. If the doctor used a room in the Agency building as an office the question might be taken into consideration. The Department will await a reply to the recent letter sent you on the subject of office accommodation for Dr Fraser before dealing with this matter. When making the report asked for you might refer to the request for office furniture.

Your obedient servant.

Asst. Deputy & Secretary.

Thos. Deasy, Esq.:

Indian Agent,

Masset, B.C.

Dept. of Indian & Northern Affairs, Letterbook,
