

He wanted the assignment stopped
but as he did not know how to
go about it he was considering the advice
of a friend to go A.W.I. and it would be automatically
terminated, and he would be no longer
aid his wife to live in adultery
contributing to the support of a man
living with him. In other words by
going he was contributing to the
support of a man who was
maintaining this parasite!

The day before the accused went
A.W.I. he received word of his brother's
death and as he says he became
so fed up and disgusted he just wanted
to go away and forget everything,
which he did. Now there is no doubt
but what the accused acted most
nearly but bearing in mind his
ignorance of the ^{proper} ~~ways~~ ^{channels} of having his
matter rectified I ask the court to
deal leniently with him, so that
shortly he may be able to have
by military aid have ~~his~~ his family
troubles straightened out ~~and~~
~~so~~ that he can settle down and
solder without ~~any~~ conscience
knowing that by doing so he
is not contributing to the
support of this parasite at home,
but serving his country as he
should.
