Indian Affairs Branch, Dept. of Mines & Resources, Ottawa.

Enclosed is an application from Mr. Earl Ivan Shaffer for the position of teacher at the Gitlakdamix Indian Day School.

Inspector Davey has interviewed this applicant and believes that he will do satisfactory work and in view of the difficulty in securing teachers at this point it is recommended that his appointment be approved for the academic year 1948-49.

In anticipation of his appointment I have enclosed completed Staff Questionnaire and T.D. 1 forms.

In view of the uncertainty of boat transportation to this point I will notify the Department at a later date the date on which Mr. Shaffer assumes his duties.
