

*Clause 2.*—When a member engaged in his duties as fireman shall receive such injuries to his limbs or health, as may prevent him from following or attending to his occupation, he shall receive the sum of six dollars per week while so disabled, and a proportionate sum for any time less than a week; in all cases, the Committee shall require a Doctor's certificate, and the production of the certificate of membership, before any benefit shall be paid.

*Clause 3.*—In extraordinary cases, such as the fracture of a limb, so much of the Physician's bill as the Board may deem reasonable shall be paid.

*Clause 4.*—In the event of a member receiving an injury which, although it may not wholly prevent him from attending to his daily occupation, still may cause him to require medical advice, the Committee may grant whatever relief they may deem necessary, according to the circumstance of the case, provided said relief does not exceed the sum of fifteen shillings currency.

*Clause 5.*—When a Member receives such injuries as above, he shall without delay inform (or cause to be informed,) his Captain or Officer commanding his Company thereof; and in the event of his neglecting to do so for one week after receiving such injury, he shall not be entitled to Benefits.

*Clause 6.*—It shall be the duty of each Commanding Officer to report every case of accident
