

## Summary

The City is not asking the Legislature for relief from an improvident bargain, nor is it seeking to abrogate or evade the terms of any agreement.

The City does not seek to confiscate any rights or privileges which it has granted the British Columbia Electric Railway Company, or any other corporation, at any period in its history.

The City is merely asking the Legislature of 1917 to blot out the wrong done it by the Legislature of 1895.

The City asks that its case be considered upon its merits and upon its merits alone.

The City's request is fair and honorable.
