

STATISTICS.

The total membership of the Baptist churches in Ontario, Quebec, Manitoba and North-West Territories was reported in the Year Book of 1887 as 30,301. The lists of membership in the present issue were prepared mainly by correspondence with the churches, and show a present membership of 31,353. The minutes of the Associations show that 2,214 were baptized during the year. Where no figures are given to indicate the membership of a church, the editor failed to get a reply to his enquiries. The membership of the churches in the Danville Association is taken from old lists, on account of a failure on the part of the churches to answer the enquiries sent to them. The list of members of the N. W. churches was prepared by a gentleman well acquainted with those churches, and is, we believe, substantially correct.
