A RECENT APPLICATION FOR \$25,000.00

additional insurance in The Great-West Life from an old Policyholder was accompanied by the following suggestive remarks:

"I am very proud of the showing of The Great-West Life Co., and believe in the thorough protection it gives its clients. The investment of its surplus funds at a high rate of interest shows that the earning power ought to be, and will be, greater than in similar cases with other companies that have not got the large field for investing their funds which the Great-West Life now possesses."

This friendly expression of opinion is made by a well-known western merchant, who gives substantial proof of his faith in The Great-West by holding \$35,000 of insurance in the Company. Rates on request.
