CATHOLIC INTELLIGENCE.

THE LATE POPE PIUS IX. The Roman correspondent of The Pilot writes: On Saturday, Feb. 8th, at St. Peter's the Requiem Mass for Pius IX., celebrated at the altar of the Cathedral, by Cardinal Borromeo, was attended by about 15,000 persons.

The words of the venerable Archbishop Purcell touched with tenderest sympathy the hearts of all present when at the Synod lately held in Cincinnati to devise means to pay off the debts of the diocese, he "affirmed in presence of the Holy of Holies that he had never misused, or spent upon himself, a single dollar of the indebtedness."

The Pope has divided the important diocese of Beverley Yorkshire, (Eng.) into two parts. The title of Bishop of Beverley will cease, and two new Bishops of Leeds and Middlesborough will take its place. The Bishopric of Middlesborough will comprise the North East Riding, and the Bishopric of Leeds the west Riding. Dr. Courthwait, the present Bishop of Beverley will take the appointment of Bishop of Leeds and until the Bishop of Middlesborough is selected will exercise jurisdiction with the title of administrator of the diocese of Middlesborough.

Menotti Garibaldi, son of the great priest-latter is the proprietor of several farms in the Roman Campagna. But he gives employment only to such trades-people as are not only good workmen, but also good Christians. He himself takes pains that they perform their religious duties regularly, and to this end has erected a chapel upon each of his farms. Some Capuchin Fathers say Mass in these chapels on Sundays and holidays and give religious instruction to the attendants.

TWO WEIGHTS AND TWO MEASURES.—Some two or three years ago an apparition of the Blessed Virgin was reported to have taken place at Marpingen, a village in Prussia Rhineland, and numerous pilgrimages were made to the spot by the people of the surrounding districts. Before ever the Church had been able to pronounce its verdict on this apparition, the police interfered, and prohibited all further pilgrimages; nay, they have had numerous people locked up since who had ventured to visit the spot despite the prohibition. A striking contrast to this conduct of the German police towards the Catholic people is exhibited in the case of a young Protestant girl living near Aguntina, a place in Hanover, who professes to be gifted with second sight and in her sleep "prevents the Bible" to the people. Large crowds of enlightened Protestants constantly flock to the place, and the parents of the girl are making heaps of money by the precocious girl's supposed to be possessed by their daughter. But the police do not think of such a thing as putting a stop to these doings. Well may the Catholic papers of Germany complain that there are two weights and two measures used by the police.

The Guide contains a great deal of information, besides Illustrations of Altars, pulpits, altar-rails, lecterns, pewing and school furniture, manufactured by us. CHURCH PEW. The above cut is a very good representation of our new Improved Pew. It has an easy, comfortable, curved seat, while the back is also so formed as to fit exactly into the shape of the body, and support every part of it. It also shows Kneeling-Stool. Great attention has been given to securing the most comfortable shape possible, and we think the sitting will be found perfect in this respect. The cheapest pews are as comfortable as the most expensive. The Pews are sold at a fixed price per running foot, including all necessary middle supports, but do not include ends or middle divisions, which are sold separately, and may be made to any design. All lumber used is thoroughly kiln-dried.
