These tables are examples of a rare handicraft, evidencing a measure of artistic skill and mechanical ingenuity known only to the Oriental mind.

A person of taste will certainly be pleased with some article from among our very superb line of Oriental goods. Nothing like them has ever before been shown in Canada. Special mention is made of the Damascus Tabourettes and Turkish embroidered goods—for they merit all the praise that can be given them.

OUR OFFER OF Historical Pictures.

We have much pleasure in offering to our numerous friends and subscribers an opportunity of obtaining, what are considered on all hands to be, excellent pictures of the Bishops, clergy, and laity, who were members of the First General Synod of the Church in the Dominion of Canada.

These pictures are large photographs taken by the first artists in Toronto—Messrs. Farmer Bros.—and make a picture suitably framed 18x14 inches. It is almost needless to say that such pictures, besides having great interest attached to them at the present time, will be most highly prized in years to come.

These photographs are the only ones which were taken during the sitting of the Synod. They are controlled by us, and cannot be procured from any other source, and give excellent likenesses of each of the Bishops, clergy and laity. That of the Bishops is particularly fine, and with its background of Trinity University walls and the cloister connecting it with the Chapel, makes a handsome picture. The price of each, if sold alone, is \$2.

Our aim is to increase the circulation of the CANADIAN CHURCHMAN, hoping that by doing so we are introducing into many families good sound Church teaching, and interesting Church news. We have made great efforts to procure these pictures, and to offer them to all who will aid us in our work at the very lowest possible price. The expense and risk has been considerable, so great, that beyond the usual cost of procuring the photographs, we felt it necessary to have them copyrighted so that the chance of loss might be reduced to a minimum. No profit is made on the pictures, the only advantage we seek is the increased circulation of our paper.

We make the following offer: Any one paying up his subscription to this paper due at the end of the year 1893, and also the subscription in advance for the year 1894 may have either of the pictures for 50 cents or both of them for \$1. New subscribers paying one year in advance, can have the pictures on the same terms. We guarantee that the pictures shall be safely delivered, or if injured and returned to this office, replaced by others. We respectfully hope that in this effort of ours to secure for Churchmen the pictures of those who made up this most important Synod, we are doing them a service, and trust that by accepting our offer they may honour us with a proof of their appreciation.
