WHEN WRITING TO ADVERTISERS PLEASE MENTION THE GUIDE

Have YOU Started the Ball Rolling?

It is up to you Mr. Individual Member to see that your Local Association or Union enters the Guide Free Association Library Competition. If someone has not already started the ball rolling in your local it's up to you to start it off by getting a few of your members together and appointing a Treasurer for the Competition. Then write to the Guide and we will send full supplies and instructions for making the competition in your district a success.

Progressive Local Associations and Unions are entering The Guide free library competition. These local organizations are helping The Guide by endeavoring to increase its circulation in their districts. In return for this help The Guide undertakes to supply them with a library for the use of their members. This library will be supplied without one cent of cost either to the individual or to the Association.

The library may be chosen by the officers or members of the Association, or, if desired, the editor of The Guide will be glad to assist you in selecting suitable books. The books will be sent prepaid and will be neatly packed and boxed. We will also give every Association full instructions for keeping proper records and conducting your library so that it will be an unqualified success.

The local Associations and Unions divide their territory among their members. Two members go around together and canvass the territory allotted to them. In this way the whole district is quickly and thoroughly canvassed. The canvassers turn in the subscriptions and money collected to the treasurer of the competition who forwards it to The Guide.

BEGIN NOW!

It is not necessary to wait for a meeting of your Association or Union. If three or four members get together the work can be commenced at once. Let us know who is to act as treasurer for the competition and we will send him full instructions and supplies by return mail.
