### Khaki Overalls For Small and Big Boys

To Wear at the Seashore, in the Country or in the City there is no Garment that a mother can buy that will give better service for Boys than a cool, weightless, strong overall—the same color that our Volunteers are wearing—made exactly the same style as the boss mechanics use—finished with Pockets, Bibs, and Braces.

Why not give the Boys Khaki Overalls this Season? They like them, and they protect the best garments from dust and mud, and prevent many a good garment from being torn, thus saving an enormous amount of worry for any mother that likes to keep her boys neat, clean and dressy. Being weightless, a child could easily wash them and they dry readily.

We stock these Overalls to fit Boys, ages 4 years to 16 years. See them to-day, they wear well, and the Prices are Reasonable.

### A Humorous Story.

The following humorous story is taken from Father Gerard's book, "Marriage and Parenthood". There is a very old Hindu legend in which the making of the first woman is described in this wise: When the creator Twashti had made man, he gathered a million contradictory elements and out of them a woman, whom he presented to the man. After eight days the man became dissatisfied. "My lord," he said, "my life is very solitary since I returned this creature." So Twashti gave him the woman back again. This time, however, only three days had gone by when the man came once for to the god. "My lord," he said, "I do not know how it is, but somehow the woman gives me more annoyance than pleasure. I beg of you to take her away." But Twashti would not. "Go and do your best," he said. "But I cannot live with her," cried the man. "Neither can you live without her," cried the god. "Who is me?" mourned the man. "I can neither live with her nor without her." So Twashti took the woman away, but after another eight days the man
