how often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultze's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

CASTORIA For Infants and Children In Use For Over 30 Years

It has a shallow shoulder yoke, to which the front and back of the dress are gathered. The dress buttons at the back. The interesting round collar is in two sections. You may choose either the long or the short sleeves. Both are finished with turned back cuffs. The dress hangs straight from the roke, but a belt of contrasting material holds the fulness in place.

Pratt and Letchworth Team Swamped Verity's and Motor Trucks the Cordage

SCORES ARE ONE-SIDED

Two Farce Games Take One The sage who once remarked that there is nothing new under the sun, would have changed his decision had he witnessed the entertainment served up under the label of baseball at Agricultural park on Saturday afteron. Both encounters were walkaways for the winners, resembling almost anything more than the great American pastime.

Pratt and Letchworth were winrs of the first game, whitewashing Verity's by a score of 15-0. who started the game in the box for the losers, was very nervous, and was hit freely in the first three in-nings, after which he was replaced by Harwood. The Malleable men hardly missed an inning to score, and the efforts of their opponents scarcely bothered them.

The Cordage men made no better showing against the Motor Trucks in the second game, owing to the act that the recent ruling of the O. B. A. A. bars two of their best men, Orcutt and Lee, from playing. The Cordage, in fact, had considerable difficulty in getting a team together for the game, and spoke more than once of resigning from the league. The Motor Trucks donned their bat-ting togs in the first inning, and shoved eleven runs across the pan. Jamieson, twirling for the Cordage, was as wild as a hawk, and had nothing on the ball but the cover Misplays were frequent, and the game developed into a travesty. The

RHEUMATIC SUFFERS

A tendency to rheumatism once established in the system is maniested by the return of the acute pains with every spell of bad weather. This is the reason so many peo-Philadelphia ple still think that the trouble is due to cold or damp. The fact is known, however, and acknowledged by all medical writers, that with the appearance of rheumatism there is a rapid thinning of the blood, and that the rheumatic poisons are only expelled from the system when the blood is restored to its normal condition. Enriching and purifying the blood by means of Dr. Williams' Pink Pills is the best known cure go; Washington at St. Philadelphia at Detroit. for rheumatism. Lumbago, it may be remarked, is merely a form of rheumatism attacking the muscles of the back and loins and is similarly cured by the use of Dr. Williams' Pink Pills. At the first twinge of either of these troubles these pills should be taken and the poison that causes Pittsburg the trouble will soon be expelled from the blood. Here is proof:—Mr. M.
