THREE OPPORTUNITIES TO WIN \$1,000

How Many Objects in This Picture Begin With the Letter "B"?

The above picture contains a number of objects beginning with the letter "B". Just take a good look at the picture—there are all sorts of things that begin with the letter "B"—like "boy", "buggy", "baby" and so forth. Nothing is hidden; you don't have to turn the picture upside down. Make a list of all the objects in the picture the names of which begin with the letter "B". Have the whole family join in—see who can find the most. Don't miss any. Fifty cash prizes will be awarded for the fifty best list of words submitted. The answer having the largest and nearest correct list of visible objects shown in this picture starting with the letter "B" will be awarded first prize; second best, second prize, and so forth.

Young and Old Join in the Fun

The Mail and Empire announces to-day another puzzle game in which all can participate—from the tiniest child to grandfather and grandmother. No object is so small but that the poorest eyesight can see it. It is a test of skill. Your ability to find "B" words determines the prize you win. Right after supper this evening, gather all the members of your family together; give each of them a pencil and a sheet of paper—and see who can find the most "B" Words. You will be surprised to find how large a list of words you can get with a few minutes' study. Sit down NOW and try it—Then, send in your list and try for the big prizes.

OBSERVE THESE RULES

1. Any man, woman or child who lives in Canada, and is not a resident of Toronto, and who is not in the employ of The Mail and Empire, or a member of an employer's family, may submit an answer.
2. All answers must be mailed by November 22nd, 1924, and addressed to C. A. Montgomery, Puzzle Manager, Mail and Empire.
3. All lists of names should be written on one side of the paper only, and numbered consecutively 1, 2, 3, right hand corner. If you desire to write anything else, use a separate sheet.
4. Only such words as appear in the English Dictionary will be counted. Do not use obsolete words, and vice versa.
5. Words of the same spelling can be used only once, even though used to designate different objects or articles, or parts of objects or articles. An object or article can be named only once.
6. Do not use hyphenated or compound words, or any words formed by the combination of two or more complete words, where each word in itself is an object.
7. The answer having the largest and nearest correct list of names of visible objects and articles shown in the picture that begin with the letter "B" will be awarded FIRST PRIZE, etc. Neatness, style or handwriting have no bearing upon deciding the winners.
8. Any number of people may co-operate in answering the Puzzle, but only one prize will be awarded to any one household; nor will prizes be awarded to more than one of any group where two or more have been working together.
9. In the event of a tie for any prize offered, the full amount of such prize will be awarded to each tied participant.
10. Subscriptions (both new and renewal), payable in advance of \$5.00 per year by mail or \$6.00 per year delivered by carrier boy in Hamilton, will be accepted. However, in qualifying for the \$1,000 Bonus Rewards, at least one new subscription must be sent in.
11. A new subscriber is anyone who has not been receiving The Mail and Empire since October 25th.
12. All answers will receive the same consideration regardless of whether or not a subscription to The Mail and Empire is sent in.
13. All new subscriptions will be carefully verified by the Puzzle Manager. Candidates marking old subscriptions as new will positively forfeit the credit of such subscriptions as qualifying for the Maximum Bonus Rewards.
14. Three prominent Toronto citizens having no connection with The Mail and Empire will be selected to act as judges, to decide the winners, and participants agree to accept the decision of the judges as final and conclusive.
15. The judges will meet on December 3rd, and announcement of the Prize Winners and correct list of words will be published in The Mail and Empire as quickly thereafter as is possible.

You Can Win \$1,000 THERE ARE THREE \$1,000 PRIZES

The "B" Word Picture Puzzle game is a campaign to increase the popularity of The Mail and Empire. It costs nothing to take part and you do not have to send in a single subscription to win a prize. If your list of "B" Words is awarded FIRST, SECOND OR THIRD PRIZE by the judges you will win \$25, but if you would like to get more than \$25 we make the following special offer whereby you can win larger cash prizes by sending in ONE OR TWO subscriptions to The Mail and Empire.

HERE'S HOW: If your answer to the "B" Word Picture Puzzle wins FIRST, SECOND OR THIRD PRIZE and you have sent in one yearly subscription to The Mail and Empire at \$5.00 by mail or \$6.00 delivered by carrier boy in Hamilton, you will receive \$50, instead of \$25; fourth prize, \$25; fifth prize, \$15, and so forth. (See second column of figures in prize list.)

Or if your answer wins FIRST, SECOND OR THIRD PRIZE and you have sent in two yearly subscriptions to The Mail and Empire (one new and one renewal, or two new subscriptions), you will receive \$100 in place of \$50; fourth prize, \$50; fifth prize, \$30, and so forth. (See third column of figures in prize list.)

Is there a liberal offer? But, LOOK, there are three \$1,000 prizes. Therefore, if you stand FIRST, SECOND OR THIRD, and have sent in two yearly subscriptions at \$5.00 a year each by mail or \$6.00 delivered by carrier boy in Hamilton (one new and one renewal, or two new), you will win \$1,000. It takes but two yearly subscriptions at \$5.00 a year each (one new and one renewal, or two new) to qualify for the big \$1,000 rewards. Absolutely, that is the maximum. You can do this with little effort. Your own subscription can count. We can also take subscriptions to start on any future date. Just mark on your order when you want the paper to start and we will not commence delivery until you say.

Bargain in Newspapers

The Review has concluded an arrangement with the Family Herald and Weekly Star of Montreal by which we can offer the greatest bargain ever given to newspaper readers. The offer includes a full year's subscription to both papers, an art calendar with a most beautiful picture subject ready for framing, and an opportunity to win a \$5,000 prize.

In the Federal Election of 1921 there were 3,119,306 votes cast out of a total of 4,435,310 on the voters list. How many votes will be polled in the next Federal election?

The Family Herald and Weekly Star are offering \$10,000 in 94 prizes for the best estimates, and our arrangement with the publishers of that great weekly gives every Review subscriber an opportunity to make an estimate and perhaps win the capital prize of \$5,000. Some person will win. Why should it not be you.

Read This Bargain

The Review costs \$1 per year, the Family Herald and Weekly Star costs \$2 per year. We now offer a full year's subscription to both papers, including a copy of the Family Herald Art Calendar and the right to make one estimate in The Family Herald's Election Contest.

All for \$2

Estimates must be made at time of subscribing, and no changes will be permitted afterwards. Order now at this office.

Here and There

Although the Canadian Pacific Railway has yet issued no forecast of construction contemplated for 1924, the fact that it has ordered 50,000 tons of steel from the Algoma Steel Company, of Sault Ste. Marie, seems to indicate that its program will be extensive.

According to a statement recently made by the Hon. Charles McCrea, Minister of Mines for the Province of Ontario, 85 per cent of the world's nickel supply is being taken out in the vicinity of Sudbury, where there is an inexhaustible supply of this metal.

Alberta's butter production last year was 18,500,000 pounds, or 2,000,000 pounds more than in 1922, according to reports presented at the annual meeting of the Alberta Dairymen's Association. It was not so long ago that Alberta was using butter imported from New Zealand.

The year 1923 was a favorable one in the building and construction activities of Canada, and returns show an advance of about 10 per cent. In 1922 the total expenditures in this regard were \$315,000,000, and in 1923 \$345,000,000, an increase of \$30,000,000.

Exports of pulpwood from Canada for the year 1923 amounted to 1,884,230 cords, compared with 1,011,832 for 1922, an increase of 372,898 cords or 35 per cent. The 1923 figures are equivalent to about 900,000 tons of newspaper, the amount which can be manufactured from that amount of wood.

C. E. E. Usher, General Passenger Traffic Manager, and E. J. Hebert, First Assistant General Passenger Agent, of the Canadian Pacific Railway, have been presented with medals by the French Government, in recognition of their services to the French Exhibition train in Canada in 1921. The medals take the form of tablets on small stands.
