Dec. 26.-The Sabbath" School of School Section No. 12, Camden, held their annual Christmas entertainment on Friday evening, Dec. 19th, and was without doubt the best entettertainment ever held here. The program consisted of music by the Wabash String Band, which was enjoyed by all present. We hope to have them with us again. A song entutled Christmas Cake by Mr. Hasson, brought down the house. A comedy by Mr, Hasson and Mr. Ellis was also fine. The dialogue by M.ss Pumfrey, Bannett and Mr. Langford was enjoyed by all. The recitations by the smaller children were good. Rev. Mr. Redman had charge of the program. After a lengthy pro-gram had been gone through with, Sania Claus appeared on the scene and

distributed toys and books for the children, not forgetting some of the older ones. R.v. Mr. Redman and Miss Mason have spared no pains to make this entertainment a success Mich credit is due to them. The school was crewded to the doors. Proceeds of evening amounted to \$22. Dec. 29.-Mrs. C. E. Buller is spending a few days with Detroit friends. Fred. C. Grainger, of Chatham, was

The age of martyrs is not passed. There are thousands of women all over the country enduring physical torture and mental anguish almost beyond description. They are not victims of persecution like the martyrs of old; they are not called on to face the scaffold or the stake; but their sufferings borne in silence and hidden from the world at large,

or the stake; but their sufferings borne in silence and hidden from the world at large, are scarcely less intense. "5 These ladies, as a rule, are women and girls of refined and sensitive temperaments. Knowing that their sufferings are due to a discordered condition of the female functions, their native modesty deters them from seeking relief in the earlier stypes; and when they do consult a physician they usually get some drug mixture to take internally which is not more effective for troubles of this kind than it would be for a toothache, a bruise or any other strictly local ailm-nt. The seat of the trouble being in some one of the female or-gans, the remedy to be effective must act on this portion of the anatomy.
