lady's fingers was promptly placed beside bire, after which he demanded a glass of

### How They Drive in London.

where they drive to the left. English watch the huls of approaching vehicles, and thus prevent collisions. I don't exactly understand this, but it is the explanation they give for driving to the box, bury the whole in the ground, but

drivers than they are thoughtful about the lives and limbs of pedestrians. All their attention is given to the roadway; pedestrians must look out for themselves or be run over. That is why so many of the Lordon police are engaged solely in attending to street traffic. Yet, with all their registers, more excidents occur in Loudon, proportionately, than elsewhere, London drivers are polite and very civil to each other. If an obstruction appears in front of a horse, or if for any reason he is obliged to suddenly slow up, the driver will immediately notify the driver in the rear by holding out horizontally his left arm, and this sign is passed down frote one driver to another mutil the very each of the driver will interest to the firm of the fi from one driver to another until the very end of the line of blocked vehicle is reached. - Home Journal.

wery end of the line of blocked vehicles is reached.—Home Journal.

What Smoking Does for Boys.

A medical man, struck with the large number of boys under fifteen years of age whom he observed smoking, was led to inquire into the effect the habit had upon the general health. He took for his purpose thirty-sight, aged from nine to fifteen, and carefully examined nearly youth. It is also a to avenue name for it."

You are troub'ed with Catarrh, but in the fall and early winter.—Prairie Parmer.

What Religion Isn't.

It isn't going to church to see what the people wear, or to find fault with the preacher.

It isn't running into debt for things you don't need and never paying for nine to fifteen, and carefully examined them. In twenty-seven he discovered injurious traces of the habit. In twenty-two there were various disorders of the circulation and digestion, palpitation of the heart, and more or less taste for strong drink. In twelve there were frequent blesding of the nose, ten had injurious traces of the habit. In twenty, It isn't leaving one church and joining another whenever you do not like the preacher, the mounth, which disappeared on eeasing the use of tobacco for some days. The doctor treated them all for weakness, but with little effect until the smoking was discontinued, when health and strength were restored.—Medical Journal solemn, and refusing to eat anything.

It isn't leaving one church and joining another whenever you do not like the years. MINAID'S LINIMENT cured and I now have the use of my hand so contracted that I could not use it for two years. MINAID'S LINIMENT cured as well as ever.

It isn't leaving one church and joining tracted that I could not use it for two years. MINAID'S LINIMENT cured as well as ever.

It isn't leaving one church and joining tracted that I could not use it for two years. MINAID'S LINIMENT cured as well as ever.

It isn't leaving one church and joining tracted that I could not use it for two years. MINAID'S LINIMENT cured as well as ever.

It isn't leaving one church and joining tracted that I could not like the years will not year.

It isn't seating to the use of my hand so contracted that I could not like the years. MINAID'S LINIMENT cured in the preacher.

It isn't leaving one church and joining another whenever you do not like the years.

It isn't leaving one church and joining another whenever you do not like the years.

# The Chaplain Gave Back the Cards.

"I had rather a remarkable experience while I was Chaplain of the army," re. marked one of the ministers at the

"I had been working and talking t the boys about gambling, and they finally turned all the earls in the camp over to me. The next day they were paid off The following day I was passing out and saw a blanket spread out with two lumps of sugar on the corner, and about half the money in the camp spread out."

"What were they doing ?" "They were betting on which lump of sugar a fly would light first, and all the money on the blanket changed hands on the result."

and o

### A Hint for Campers.

One season when I was camping Glose of that city. The succeeding day a young man, denominated in circus patois as a "Reub," walked leisurely into the establishment and said:

"Got any fee-cream on draught?"

"This is not a refreshment bazar," replied a salesman softly.

"I knowed that, but yer had some in here yesterday,"

We smoked circus and rives until we here yesterday."

"Oh, yes, that was an opening day, and we did entertain a large number of our friends with cream. You should have been ground for it. We scented to fike, and buzzed all the more merrily for it. We scented erable.

friends with cream. You should have been around."

"I waren't though, but I kinder reck. oned you might have some left over. Couldn't yer manage to give away some if a man was to buy a musical instrument?" And the youth pecked ap a \$40 guitar, thrummed it carelessly, at the same time reating his basilisk eye on a \$500 upright plane.

"I think we could! Charlie, see if there isn't some cream in the back room for this gentleman. Please walk right in sir."

The prospective customer walked in as directly and was handed a nut brown chocolate ice.

"Yer give some cake, too, yesterday, I understand,"

A plate of macroocus, jelly cake, and lady's fingers was promptly placed beside bine, after which he demanded a glass of within the wells of our tent. Then making everything comfortable, and carefully covering our one window with mosquito netting, we went to sleep and slept the sleep of the just with never a bite nor a hum from our odious foes for course I don't propose to eat your cream under false preterse. You've toted square with me an' I'll tote squar with you. You may give me one of those nickle-apiece kazoos I seed in ther winder."

Within the wells of our tent. Then making everything comfortable, and carefully covering our one window with mosquito netting, we went to sleep and slept the sleep of the just with never a bite nor a hum from our odious foes for the rest of the night.

An Easy Way to Raise Sweet-briar.

Speaking to an old gardener the other winder."

Frequently mistaken for each careful within the wells of our tent. Then making everything comfortable, and a cigarette; "Undertaker (to youth who is lighting a cigarette)—"That's right. You may be do the rest."

The distension of the stomach which many people feel after eating, may be due to improper mastication of the food; but, in most case it indicates a weakness of the digestive organs, the best remedy for which is one of Ayer's 'Pilla, to be winder.'

day, who had a quantity of the mps on his sweet-briar busiles, we suggested to him the advisability of raising a quantity out that poor health is not religion. England is the only place I know of that he very much wished to do so, to of young plants from the seed. He stated where they drive to the left. English drivers say that by sitting on the right and driving to the left they can better watch the babe of successful so far, and finds them hard to vegetate.

left.

Quick-going vehicles will turn a corner sharply, but the driver raises his whip to notify the vehicle in his immediate rear that he is sharply to the control of the sharply that he is sharply to the control of the sharply that he is sharply to the control of the sharply that he is sharply to the control of the sharply that he is sharply that the control of the sharply that that he is about to turn, "Cabbies" are up. When spring comes, and before up. When spring comes, and before up. When spring comes, and before drivers than they are thoughtful about of sandy soil, bring to a fine till as for quarterly, in order to reduce the amount the lives and lines of nodestriers. All

planted out of doors.

This charming sweet-scented plant is not helf enough grown. The frageance that distills from the leaves on a moist summer evening is delightful, and an old reminiscence of our youth. It is also a

demn, and refusing to eat anything ooked on Sunday.

It isn't putting all the big, source he little and rotten ones on the botto It isn't telling other people what to de prayer meeting, and letting the deil you what to do in business matters It isn't whipping your boy for smokir while you have a cigar in your own

It isn't telling the servant to say, "No at home." - Ram's Horn.

## The Value of Birds.

The correspondent of an exchange thinks bird music is worth all it costs, and he gives the birds a hearty welcome. He says: "I have not less than a half a dozen pairs of cathirds nested about my house each year, and oh, how they sing They almost articulate. One of them hale sufficing and crying with pain of Cut they almost articulate. One of them hale sufficing and crying with pain of Cut thinks hind sufficing and the fresh night air, laden with the aroma of the roses, was doing a good deal for the cause of love. They were not very well acquainted, but were getting along nicely.

"Who is that calling from the house?" he asked.

"It is mother, and she wants to know if I have anything around me to keep me warm."

"But I haven't."

"But is a question as thou for sain a way, surrenders with a sigh, and—
"Yes, mamma."

"Le sway: "I have not less than a half a dozen pairs of cathirds nested about my house each year, and oh, how they sing They almost articulate. One of them hale sufficing and crying with pain of Cut the sufficience and get a botton of Vars Winslow's Soothing Syrup." for Children Teeching, Is to value is incaled at botton of Cut with sufficience and serve in the mode and part head at once and get a botton of Cut with sufficience and it is more than the sufficience and in the mode and the poor little suffered in music is worth all it costs that they do not not have the sufficience and serve at botton of Cut with sufficience and in the cut with sufficience inks hird music is worth all it costs, and he gives the birds a hearty welcome He says: "I have not less than a half
