Concerning Your Fall Shoes

If you would secure service and satisfaction from your shoes this Fall, it is more than ever important that you should go to a reputable dealer in whom you have confidence, and see that the maker's trade-mark is on the shoes you buy.

Millions of pairs of shoes, millions of feet of leather, have been bought for the Nations of Europe whose stocks of footwear were entirely wiped out by the war.

Therefore, unless you have first-hand technical knowledge of shoes and leather, you must rely more closely than ever this Fall upon the reputation of the maker and of the retailer.

The retailer who has a reputation to sustain will not endanger it for the sake of a little extra profit. And no established manufacturer will stamp his trade mark upon goods which do not represent good value at a fair price.

The chances are that you do not feel any great interest in the leather market, or in the conditions which govern the manufacture and distribution of shoes. But you ARE interested—vitaly interested—in securing for yourself and your family reliable footwear at fair prices.

To Buy Wisely This Fall: FIRST: Go to a reliable dealer whose reputation you know and whose judgment you can trust. SECOND: Make sure that the trade-mark of a manufacturer whose standing is known is stamped upon the shoes you buy.

Our booklet, "How to Buy Shoes," is gladly sent without charge to any address in Canada. Please address inquiries to our head office at Montreal.

Death of General Botha.

General Louis Botha, Premier and Minister of Agriculture of the Union of South Africa, died suddenly early last Friday morning following an attack of influenza.

Louis Botha was born at Greytown, Natal, in 1863, and was a member of the first Volksraad of Transvaal, in which he represented the district of Vryheid. At the beginning of the Boer War in 1890, he was Veldt-Cornet for that district.

Following the peace negotiations between the Boers and the British, General Botha took a leading role in the period of reconstruction. After the grant of self government to the Transvaal in 1907, General Botha was called upon to form a government.

General Botha was called upon to form a government. From this position he resigned in December 1912, owing to disension in the cabinet, but was immediately asked to form a new government. At the outbreak of the great war in 1914, General Botha took command of the Union forces in Southwest Africa, achieving a complete success and compelling the German troops in that region to surrender.

With General Jan Christian Smuts, General Botha signed the peace treaty with Germany on behalf of the Union of South Africa, on June 28 last. He arrived at Capetown from Europe on July 28.

A statement issued by Eilihu Root, Jr., says that Mr. Carnegie's gifts to charities during his life total somewhat in excess of \$30,000,000.

Annuity of \$10,000 was made to former President Taft, and annuities of \$5,000 each to Mrs. Grover Cleveland (now Mrs. Thomas J. Preston) and Mrs. Theodore Roosevelt, widows of the former Presidents.
