The Maple Leaf, Our Emblem Dear. The following national song, dedicated to

the volunteers of Canada, by Alex. Muir, B. In the days of yore, the hero Wolfe, Britain's glory did maintain, And planted firm old Eugland's flag,

SUPERIOR BLOOD PURIFIER.

THOROLD, ONT., Jan. 13, 1880.

Yours truly,

Master West Side Public Schools

I H SIMPSOM

And planted nrm old england's nag, On Canada's fair domain, Here may it wave, our boast, our pride, And join'd in love together, The Thistle, Shamrock, Rose catwine The Maple Leaf forever. CHORUS. The Maple Leaf, our emblem dear, The Maple Leaf forever!

God save our Queen, and heaven bless The Maple Leaf forever! on many hard fought battle fields. Our brave fathers side by side, For freedom, homes, and loved ones dear, Firmly stood, and nobly died; 10 bbls. good heavy Boston And those dear rights which they maintain
We swear to yield them never!
We'll rally round the Union Jack,

We'll rally round the Union The Maple Leaf forever. bbls. good American CHORUS. In autumn time our emblem dear Dons its tints of crimson hue; Our blood would dye it deeper red, Shed, dear Canada, for you! Ere sacred rights our fathers won, To foeman we deliver,

e'll fighting die, our battle cry, 'The Maple Leaf forever!" CHORUS. God bless our loved Canadian homes May plenty ever be our lot, Our Union bound by ties of love, That discord cannot sever,
And flourish green o'er Freedom's home,
The Maple Leaf forever!

CHORUS. On Merry England's far famed land May kind Heaven sweetly smile; God bless old Scotland evermore, And Ireland's Emerald Isle! Then swell the song, both loud and long, Till rocks and forests quiver; God save our Queen, and Heaven bless The Maple Leaf forever!

himself wouldn't have!"

and Diurctic.

the ruff, with the second-band harness you bought o' Deacon Silsbury and the strips for the new rag carpet—and all the wood tumbled down higgledy-piggledy to make room for it. And the hens ain't fed, and the cows ain't gone herbs, and so strongly concentrated that it will effectually eradicate from the system every taint of Scrofulas, Scrofulous Humor, Tumors, Cancer, Cancerous Humor, Tumors, Cancerous Humor, Tumors, Cancer, Cancerous Humor, Cancer,

nervous system.

The remarkable cures effected by Veget to gather apples in the orchard, and apothecaries whom we know, to prescribe and use it in their own families.

The remarkable cures effected by Veget to gather apples in the orchard, and thought the wooden toys his ingenious jack-knife furnished the most marvelous of creation.

The remarkable cures effected by Veget to gather apples in the orchard, and thought the wooden toys his ingenious jack-knife furnished the most marvelous out of creation.

It was rather a derogatory process to the boyish dignity of thirteen.

"You ain't in earnest about his supper, mother?" said Farmer Parley, as they sat down to the well-spread evening board.

Put such a catastrophe was napping averted, for the travellers arrived as the stormy twilight made the glow of the great wood fire doubly grateful. There was the crunch of wheels in the days now without, the opening of the ing board.

"Yes, Ibe. Have some quince sass, deep snow without, the opening of the mother's arms.

In the background a tall figure stood

brought you a present." "A present!" cried Mrs. Parley.

"And father must get a hammer and screw-driver and open it very carefully, for it's china."
"China?" "Yes, real china, imported from

Oh, it is so beautiful!" She stood by, gleefully clapped her hands as the treasures were unpacked, "She's gone to Mrs. Balger's, and she thinks I'm in bed; but I got up and the beautiful tragile things one by one that I got up and the beautiful tragile things one that I got up and the beautiful tragile things one that I got up and the beautiful tragile things one that I got up and the beautiful tragile things one that I got up and I got up a she thinks I'm in bed; but I got up and she thinks I'm in bed; but I got up and dressed myself. I couldn't sleep, made their appearance from countless dressed myself. I couldn't sleep, made their appearance from countless in the abundance, the beauty, and the fitness of his illustrations,

And she nestled down close at the bound boy's side as he eagerly devoured the supper which she brought him.

"I was hungry, Alice," said Julius, as he took a long draught of milk, "and you're a good little thing. I'll do as much for you some day."

"How kind it is of you, Mr. Clinton," said Mrs. Parley, looking up from two main sources. He either finds in the masterpieces of English poetry—Shakespeare, Chaucer, Milman quietly, "it is simply the settlement of a very old debt."

"A debt!" repeated the farmer's

Clinten."
He smiled. "It is to replace the Mrs. Parley, secretly relenting in the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the brownest cakes and the depths of her motherly heart, gave Julius the depths of her motherly heart and her motherly heart Julius the brownest cakes and the juiciest bit of meat for breakfast the next morning.

"He'll behave himself now, I guess,"

And then, as he smiled even have in this part of the smile of

shortest possible period of time that atternoon, when Mrs. Parley, had betaken herself to the sewing circle with Alice, and the farmer was gaing to the taken herself to the sewing circle with Alice, and the farmer was going to the neighboring village, and applied himservedly so many times," laughed the case of a coat, it is placed on each

# Jumping.

tomy of the salmon, Mr. Buckland weighing three pounds to his appliament to good," said Deacon Jones.

"There was a vicious look in his ture of this interesting and valuable of a short, light sleeve, or lining, and

"Gently, mother, gently. What's the matter now?" demanded Farmer Parley, cautiously thrusting his sunburnt shock of hair into the woodshed her head, sagely, "and I don't believe she'll come home alone either, appear to have an intuitive fear and dread of nets. This Mr. Buckland "Matter!" echoed Mrs. Parley.
"Why, just look here. Them wheels of the old wheelbarrow hysted up to the ruff, with the second-band harness von bought o' Deacon Silsbury and the von together." said Mrs. Parley, in the farmer opened wide his blue eyes. "You don't s'pose she's large eyes. "You don't s'pose she's large eyes. "You don't s'pose she's large eyes. "You wen are so slow to put two net created a terrible scare among the fish in the troughs. The salmon is, close proximity have made large cap-

# Three English Orators.

(Geo. M. Towle, in Good Company.) There has always been much difference of opinion as to which is the greater orator, Gladstone, Beaconsfield or John Bright. The contrast between the elequence of the three is very marked; by contrast only can their various oratorical powers be compared. But, as time has gone on And then the wrathful mood sub-sided in some degree, as he remember-hard as I have done, and that's one Bright have rapidly increased. There about Beaconsfield's addresses

is a charm of musical sweetness, and a glow of warmth, of earnestness and enthusiasm, about Gladstone's speeches which certainly make one hesitate to judge any one his superior in eloquence. There is a finish, a subtlety and grace, a sparkle and a fine-edged wit and use it in their ewn families.

In fact, Vegetine is the best remedy yet discovered for the above diseases, and is the only reliable BLOOD PURIFIER yet placed before the public.

Ous of creation.

"I suppose I am a trial," sighed Julius; "but she needn't have torn all my machinery down, and then to box my ears, too."

It was rather a derogatory process to the boyish dignity of this come in?" said Mrs. Parley, reflectively. "I should hate the worst way to have that turkey spoiled."

The fact of the boyish dignity of this come in?" said Mrs. Parley, reflectively. "I should hate the worst way to have that turkey spoiled."

The fact of the boyish dignity of this come in?" said Mrs. Parley, reflectively. "I should hate the worst way to have that turkey spoiled." which make him a master among Parof language, of measured case and deliberation, of natural gitts of a very high order most carefully trained and finished, of powerful appeal to the average common sense, and of the most skilful fitting of the utterances to the thought. The first impression door and then Alice was in her of Bright, as amid the most absolute family medicine, Vegetine. For three years I was a great sufferer from Chronic Rheumatism and Derangement of the Kidneys, and, after testing innumerable so-called recommended to give the Vegetine a trial and to persevere in using it for some time. I did so, and in the course of three monts found that a perfect cure had been effected, and I am now, thank God, in the full enjoyment of the best of health. I consider it the most effective remedy for the distressing complaints just mentioned, and for Indiges town, Billousness and Lwer Disease. It is very pleasant to take, vitalizing and invigoration it, knowing the great benefits I have derived form its use, and consider I cannot overstate its great and important value to those similarly afflicted as I have been.

In the background a tan ingure stood ed, with jet black hair and grave violet or dwith jet black hair and grave violet for with jet black hair and grave violet of commons, is stately and dignified and self-contain-to behave himself. There ain't no ed, with jet black hair and grave violet for with jet black hair and grave violet of whith jet black hair and grave violet for with jet black hair and grave violet and dignified and self-contain-to behave himself. There ain't no ed, with jet black hair and grave violet and to grave violet and to persevere in using t for some time. It was to may for my best preservin' can, to show Alice how a steamboat worked, and last bow as Alice introduced Mr. Clinton," with a deep red flush upon her cheek.

Young managin' him. It was for the farmer was a Alice introduced Mr. Clinton," with a deep red flush upon her cheek.

"You must Jike him very much father, for my sake," she said, "because I have promised to be his wife."

When the hospitable meal was over and Mrs. Parley came in from the kitchen, pulling down the sleeves that insanction of one at the very outset stillness he rises, with every eye upon says a shrewd observer, thoroughly and racily English than that of any speaker in either House." Unlike many English orators, Bright rarely quotes from the classics. Robert Lowe loads down his harangues with a wearying wealth of quo-"Yes, real china, imported from tations from Virgil and Horace, of peach pie for you, and two rusks and a bowl of milk."

"Yes, real china, imported from tations from Virgil and Horace, look through it in the colors of life. Oh, it is so beautiful!" adorn his addresses with the images of his beloved Greek masters. Beaconsfield not seldom turns a smooth Julius, thinking how hungry you must be."

I couldn't sleep, inade their appearance and the fitness of his illustrations, be."

Waspings of silver paper.

"How kind it is of you, Mr. Clin-Bright almost invariably draws them
