would be out, and I wanted to speak to you alone."
She glanced at him, but said nothing; and another long pause ensued.
"I was sorry to hear that you had caught cold again. If you go on so, you will never lose your cough."
"My cough is much better," replied Gatriele.
"But," he continued, as if he had not heard, his eyes still fixed on the fire.
"in our climate, at this time of year.
"No. She promised that I should you cannot know -I cannot tell you; words would not express it. Thank God, and enter the state it words would not express it. Thank God, and enter the state it would be while, you cannot know -I cannot tell you; words would not express it. Thank God, and enter the state it words would not express it. Thank God, and enter the state it would be while, you cannot know -I cannot tell you; words would not express it. Thank God, and enter the state it would be while, you cannot know -I cannot the would it would be would not express it. Thank God, and enter the state it would be the state it as the promised that I should it was going through how ever in my secret mind, the while, you cannot know -I cannot tell you; words would not express it. Thank God, and enter the state it would be the state it would be the state it would be the state would not express it. Thank God, and enter the state it would be the state it would be the state it would be the state it is the mather the state it would be the state would not express it. Thank God, and the state it would be the state would be the state it would be the state it w

ing force; and gave her courage. She was weak—but her love was powerfully; ignorant—but her love was of heaven. Then she saw that God, in sending this love, had wait the force was of heaven. had sent, as it were, an angel: who could not fail, under His blessing, to lead her

"Sie transit gloria mundi,' by dear Gabrielle! "Man is a waper, full of woes, He cuts a caper and down he goes.' Nide the ball room last night, and the ball room to-day. Too melancholy to be borne, isn't it? So come with me, and I'll ensconce you warm and cozy by the fire in Olivia's sanctum. You are to nurse your cold, she says. By the bye, James was so sorry to hear that you had caught a cold." "James! Did you tell him?" "I told him that you were hoarse as a raven, and your cough hoarser; and that it was all his fault for taking you into the draughty conservatory. And only think! my majestic brother' blush ed_actually blushed 'celestial rosy' Gabrielle felt considerably relieved for all things that might come uron her strong for weal or woe, for life or fo leath.

distressing: as also did the housekeeper. But Taibot, Olivia's stately maid, was observed to smile, and further to nod three times in a mysterious mañner. Meanwhile Gabrielle was deep in med-itation. She wished only to do right; but she could not satisfy herself as to what was right, and what was wrong. James' confessions showed that his re-quirements were more extensive, his pe-culiar opinions more deeply rooted, then

right at last. And she felt herself suddenly strong.

The Battle of Lace Curtains

Our Cartain department at the end of a day's business these days looks like a battlefield. There is only one cause for this: the great rush for the splendid money-saving values we are offering. We got some grand maps through the failure of a great United States firm which was hit hard during the recent money paule. The question is: Are you getting any of these snaps, or are your more enterprising neighbors getting them all? Wednesday offers you another opportunity to get in on these low mires \$1.25 LaceCurtains 98c pr.

Matchless Real Lace Curtain Prices Matchless, because you will search in vain elsewhere for' such good quality Curtains, combined with such really high-class de-signs at such reasonable, within-your-reach prices. Here you'll get fine Irish Point, fine Brussels, An-tique, Marie Antoinettes, Point de Arabe, Point de Saxe, Louis XV, and other beautiful makes of hace, in white, ivory, eeru and Ar-abe. Prices

"now, " "I could not go alone," she answered, "quietly, "and I don't know anyone who could take me. You remember what the Northern Farmer says-Gin I mun doy,

Northern raimer says 1 mun doy." "Don't, Gabrielle!" cried James, hur-riedly, putting his hands before his eyes. "There is one way," he went on, after a pause, resuming his first position-"there is one way in which you might

go." » She looked at him, clasping her hands tightly together, in the struggle for com-

Postre. "You might go," he said, gazing steadfastly into the fire—"you might go with me as my wife." Still Gabrielle looksd at him, her eyes dilating, her cheeks and lips vying in whiteness. She would, if, she could, have spoken, but her voice failed. "Will you?" said James, gently, leav-ing his seat, and standing before her. He tried to take her hand, but she shrunk away.

shrunk away. "I don't know," she said, nervously, the color rushing back in a flood. "I

The color rushing bees in a 100d. I can't tell yet: you isust give me time." "Perhaps," said James. "some explana-tion-I am aware that my conduct, late-ly-in short, my-my-attentions to Miss Featherstone-"

paused; her agitation was subsid-he saw that she wished him to go

i you cannot know-l cainot tell you; i you cannot know-l cainot tell you; i words would not express if. Thank God, it came to an end, at last; my bonds were broken; and I saw that it would be madness to struggle longer against t that which had become a part of my life. How it might have been, if I had taken it in time. I cannot say. But, as matters stand now, Gabrielle"-he rose a from his seat-his tone deepend, his marner became agitated, impassioned; he had pledged himsel-he hought of nothing, in this moment, save her ---"as matters stand now, Gabrielle, sooner could my right hand forget her cunning. *know before long, but she has not told ine yet."
"He said"—James hesitated, and Gabrielle detected a faint, very faint, tremor in his voice: "he said that your best remedy—would be a winter abroad."
"Did he?" exclaimed Gabrielle, startieled. In her inexperienced ears, those words—"a winter abroad."—sounded like a death-blow, or, at best, an amelioration of a deathblow.
"He said that you would probably return in the spring as strong as, or stronger than, you have ever been. What do you think of this, Gabrielle? Should you like to try it?"
"I should like it, of course; but I don't quite see how it could be pos-

in the rapture of being thus addres by him-her Admirable Crichton, by him-her Admirable Clickher, her ideal. One minute: the "Why?" said James, and there was nore than a faint tremor in his voice, "I could not go alone," she answered, "I could not go alone," she answered, uietly, "and I don't know anyone who ould take me. You remember what the Sorthern Farmer says—Gin I mun doy, "Don't, Gabrielle!" cried James, hur-iedly, putting his hands before his eyes, "Here is one way," he went on, after t pause, resuming his first position— there is one way in which you might go."
