MORE RECORDS BROKEN AT H.J.C.

Mr. Gartshore's Jumper, Big Bear, Was First at 15 to 1.

Cave Adsum Won the Hotel Royal Stakes —Hon. Adam Beck to Judge In England.

Two track records were broken on the second day of the Hamilton Jockey Club's summer meeting, and a Canadian record—a mile and a sixteenth on turf—was established. The clay track yesterday was very fast, but slightly deader then on the opening day. Over 2,000 persons asw the remarkable racing. Although records were broken, there was not a really close finish in the six races—the winners came in by themselves. The track records broken were at five furlongs and a mile and an eighth. Cheek did the former distance in 1,004-55 and Cave Adsum covered the latter in 1,331-5. The Cauadian record established was over the new turf course, at a mile and a sixteenth, and astonishing time was made by Mr. E. Seagram's Sir Galahad, which won the race in 1.462-5, which is at the race of one mile in 1.40, or slightly better. Sir Galahad was not pressed and romped in five lengths ahead of Kid Roos, a 40—1 shot. The time for the distance was very much better than Ellicott, Photographer and Martin Doyle won at that distance at the Woodbine. In fact, it was faster than the record for this clay course at the Hamilton track, made by Pretention a few years ago. The Seagram horse was niway at the favorite opening at 1 to 2 and closing at 9 to 20.

The most popular victory of the day was that of Johnny Gartshore's green jumper, Big Bear, who won the steeple-chase at long odds. The Hamilton horse opened at 20 to 1 in some of the books, and he was backed down to 10, not withstanding a heavy play on Byzantine and Mixup. Byzantine was the favorite at even money, and Mixup was second choice at 3 to 1. Mixup did not seem to he ready, and began to stagger before doing the first turn of the failed to the cord and up. It stumbled at the eighth jump, and E. Kelly rolled over very wisely, as the horse was all in. Byzantine had what looked like a winning lead to the last jump, where it fell. Big Chief, who had been rated nicely by the Hamilton jockey, Groves, came on and won by 20 lengths. Opinion was divided as to whether Big Bear could have overtaken Byzantine on the flat. As he was full of running at the end, the race would no doubt have been a close one if Byzantine had stood up. Mr. Gartshore was freely congratulated by his friends on his win. Figures to Show the Increase In Revenue at Louisvillé.

To the officials of the tracks other than those of New York, the business side of the substitution at Louisville of pari-mutuels and auction pooling for bookmaking is verted with lively interest. Compelled to hustle annually to secure sufficient returns from admissions and privileges to meet expenses and pay something in the way of a dividend to stockholders, these officials might naturally be expected to study the Louisville experiment with concern.

There is now no doubt of the financial success of the Louisville departure. The returns from bookmaking in the way of a dividend to stockholders, these officials might naturally be expected to study the Louisville experiment with concern.

There is now no doubt of the financial success of the Louisville departure. The returns of the first eleven days of the meeting be any such falling off as took place in the case of the bookmaking revenues in 1907.

The first of a number of weekly ath letic tournaments, under the auspices of the Y. M. C. A at Britannia Park, was held last evening. The numbers were well chosen and keenly contested throughout. Good work was done by the athletes who contended. The features of the evening were an exhibition run of two miles by Jack Caffery and an exhi-bition aprint of 200 metres by Bobbie Kerr. Caffery made his two miles in lo.40, the first in 5.10. He was paced for two laps by Tom Ellis, four by Billy Melody, and the last two by Wally Muirhead. Bobbie Kerr gave White 12 yards in the 200 metres and beat him by

That Kerr will be a credit to the city and Canada, both on the field and off, there is little doubt here. Cotter looks like a comer, and the veteran trainer, Dick Robinson, thinks he will make the best showing of the Canadian runners in the Marathon, excepting, perhaps, Lawson. It is doubtful, however, if Lawson will be able to start, as rumors have been set afloat by Englishmen who claim to know Lawson, that he is a professional—that he was professionalized in England a few years ago.

JEWELERS PLAYED BALL.

The jewelers, retail and wholesale, came together yesterday afternoon at the Mountain View Pork, not to discuss the question of prices, but for the purpose of settling their differences over an interesting game of base-ball. There were exciting moments during the entire afternoon. The wholesale team was composed of members of the firm of Levy Bros. and great was their chagrim when the game was over and they found that they were losers by a score of 14 to 12. The retailers played about 26 men during the game, while the wholesalers kept to their regular team. A most enjoyable outing was spent by the handlers of diamonds, etc., and they are contemplating another in the near future. Alf. Baker was busy with his little camera and if Tom Binkley, and others want to get a characteristic pose of themselves, all they have to do is to apply to brother Alf. Baker. JEWELERS PLAYED BALL.
