Hospital Aid Society Meeting

The annual meeting of the Miramichi Hospital Aid was held in the Miramichi Hospital, Thursday afternoon at 3 o'clock for usual business and election of officers. The President Mrs. L. H. MacLean in the chair. Owing to illness Mrs. C. Hayward, Secretary, was unable to be present. Mrs. W. F. Copp was appointed secretary pro-tem.

After conducting the usual business the president addressed the aid as follows:

Ladies and Members of the Aid: About one year ago we organized as a Ladies' Aid to the Miramichi Hospital and together we have worked to the end that all necessities for the hospital that we could provide, should be supplied. Not only so but we have organized branches in Chatham Millerton, Whitneyville and Blackville and enlisted scattered helpers in Bay du Vin and Hardwick, all of which are doing good work and assisting very materially excepting Blackville, which has suspended operations temporarily.

When the aid was organized, we found the hospital much in need of many things. To the supplying of these we have applied ourselves with a fair amount of energy and have been instrumental in supplying such things as mattresses, blankets, sheets, napkins, tray cloths, gowns, electric fixtures, china, flat silver, model doll for nurses training department, pantry supplies, etc.

Our showing for 1919 is indeed remarkable and especially so in view of the fact that this is our first year and some time was required to complete organization. All money has been gathered without any special effort being put forth by the membership as a whole, excepting a tea, during my absence in the fall. This speaks encouragingly for the future. We believe the old adage that "well begun is half done", hence we can confidently look forward, if each member plays the part, to even greater things in the future. For not only has the Aid provided the above material things, but it has also advertised and popularized the hospital in a degree that it has not been hitherto. Also by organizing auxiliaries in different localities of the country, it has assured a wider co-operation as well as a wider advertisement.

Much more can be done in extending this organization and the aid has thus demonstrated that it is quite capable of reaching out to the different parts of the county and together with the Board can handle and use satisfactorily all the available and possible support that can come from the county to the hospital.

It is therefore of the greatest importance that we maintain the Miramichi Hospital Aid at its greatest strength and most complete efficiency, letting nothing sidetrack us in our devotion to the hospital. This is the day of amalgamation and unifying of forces and it is our business to concentrate all our energies upon the aid, if we desire the real success of the Miramichi Hospital. The incoming officers no doubt will look after the future of the work, realizing, as no doubt they will, that this is very important to the existence and efficiency of the Aid.

Before retiring from the presidency of this Aid I wish to thank all those who have heartily co-operated with me in making the year such a proud success. Undoubtedly I might have been able to do more for the aid had not illness in my family called me to Philadelphia for so long a period in the fall.

In retiring let me ask you to give a whole-hearted support to the incoming president, aiding to the very best of your ability, that all things may be done decently in order and efficiency, forgetting every other thing in connection, but its success to the end for which it was formed. This hearty and sympathetic co-operation is of the utmost importance if we are to keep our forces together enlisting the best energy of the members.

I would specially mention the hearty co-operation given to me by our able and efficient secretary and treasurer, Mesdames C. Hayward and C. C. Hubbard, making my work easier and more satisfactory.

Thanking you again for the honor conferred on me a year ago as President, I would ask you now to proceed in the election of my successor and other officers of this society.

Mrs. MacLean's address which was earnest and impressive

throughout, was warmly and enthusiastically received with unanimous vote that she retain the presidency. She declined graciously after persistent request and the aid proceeded to the election of officers for 1920, as follows:

President—Mrs. B. F. Maltby.
1st Vice President—Mrs. L. H. MacLean.
2nd Vice President—Mrs. O. Nicholson.

HUSBAND SAVES WIFE

From Suffering by Getting Her Lydia E. Pinkham's Vegetable Compound.

Pittsburgh, Pa.—"For many months I was not able to do my work owing to a weakness which caused backache and headaches. A friend called my attention to one of your newspaper advertisements and immediately my husband bought three bottles of Lydia E. Pinkham's Vegetable Compound for me. After taking two bottles I felt fine and my troubles ceased. I was a thing of the past. All women who suffer as I did should try Lydia E. Pinkham's Vegetable Compound."—Mrs. JAS. ROBERTSON, 620 Knapp St., N. B., Pittsburgh, Pa.

Women who suffer from any form of weakness, as indicated by displacements, inflammation, ulceration, irregularities, backache, headaches, nervousness or "the blues," should accept Mrs. Robertson's suggestion and give Lydia E. Pinkham's Vegetable Compound a thorough trial.

For over forty years it has been correcting such ailments. If you have mysterious complications write for advice to Lydia E. Pinkham Medicine Co., Lynn, Mass.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.
