THE NORMAL SCHOOL.

Public Closing Exercises Yesterday. There was a small gathering at the public closing exercises at the Normal school yesterday morning. Among those seated on Crocket, Dr. Harrison and the several teachers of the school. An elevated platprepared for the young ladies and gentlemen who were to take part in the recitamathematics. Several readings and recitations were delivered under the management of Miss Clarke; the recitations of Mr. Trueman, Misses Ryan, Fenwick and Kirkpatrick being specially worthy of mention. Miss Clark had also charge of the physical exercises, which formed a very interesting feature of the program. After another chorus by the students, the classes were put through a lesson on botany and natural science by Mr. Brittain. The singing of "My Own Canadian Home" by the students brought the morning's exercises

In the afternoon the attendance was much larger, the seating capacity of the room being taxed to the utmost. Among those present were bishop Medley, rev. G. G. Roberts, rev. Mr. Alexander, his honor greater activity and plans for usefulness. and prof Bailey. The program opened with a chorus by eight young ladies, which was exceedingly well rendered. Principal Mul- always shown us. We have felt that in lin next talked with the students about the anner of teaching certain subjects, obtaining from several the subjects to which they would devote special attention in teaching. Miss Fleetwood, of the senior class, taught an excellant writing lesson to some young pupils of the Model school, illustrating clearly how a lesson of this character mentioned in the information, but declined should be taught. The particular mentioned in the information, but declined Misses Borque and Girourard was excellent should be taught. The piano duett of to say whether he was a partner then or and excited enthusiastic applause. Miss Ganong gave an interesting lesson in botany to grade five of the Model school. After a solo by Miss A. Smith, which was very well rendered, and another chorus by the students, Sir John C. Allen presented to Miss M. Tibbits the medal for the senior division, and to Miss Ganong that for the junior division. Mr. Trueman, in a few well-chosen words, presented to principal Mullin, as a representative of the Alumni society of the Normal school, a photograph

of the senior class of '91. The valedictory address was then delivered by Miss Beatteay. Valedictory. For the last time, as Normal school students, we have been assembling together to-

Something still remains undone.' yet the success which has attended even these efforts will be an impetus to still And now, on behalf of the students, I would extend to you, our principal, our sincere thanks for the kindness you have bringing our troubles and perplexities to you we were not coming merely to an instructor, but to a personal friend of give it. Our numerous requests and petitions have received every consideration at

most cheerfully granted. To the other members of the faculty we wish to express our gratitude also for the kindly interest you have shown in our welfare. We feel sure that whatever success we may have as teachers will be largely due to the examples of patience and sympathy you have always set before us. I cannot express a better wish for the classes which will take our place than that they may have for many years the advantages of your instruction and personal care which it has been our privilege to enjoy.

Mingled with the regret which we as students have felt at parting today, is a feeling of anxiety which is shared by all. We have yet to stand the test which will determine the success of our work here. Perhaps it should hardly be called a test for though some of us may not obtain the class of licence for which we have been working ways. Friendships have been formed and though we may all never meet again, we shall hear with the greatest pleasure of the success of those with whom we have been associated as follow and the success of those with whom we have which will be remembered all our lifetime, been associated as fellow-students and class-mates. You are not leaving the school without a sense of the responsibility which rests upon you as teachers. The work is one which is especially far reaching in its influence for good, and full of opportunitie for helping to raise the standard of education in the province, and both the moral and intellectual life of its young people. Because we have as yet had no experience is no reason why we may not be successful. Just as the steady every day training here has been fitting us for our work, so the same patient endeavor to be faithful in the
