DR. BRYCE Prof. Bryce of Manitoba College preached last evening. He based his sermon on the text "Buy the truth and sell it not."

drink: The dog got home all right. Prof. Bryce referred to the earnest quest of the alchemists of the middle ages for the philosophers' stone, the PRESS ASSOCIATION elixir of life, and the universal salvent He referred then to the eternal quest of man after truth. The old alchem ists never found what they sought, but the earnest seeker after truth was always rewarded by God, for truth is proceeds from God. Prof. Bryce pointed out four me thode by which truth is revealed to man. First, by the wonders of nature which man sees in the earthmake, the regeneration of the earth every spring and summer. The old statement of the psalmest is still true that the ferina-inent declares the glory of God. Second, truth is revealed by the con science the eve to see the right, and often are first views on moral juestions are the most truthful. In the third place the Bible is mass of truth_the truth of all the But it is only the pure ages. heart that apprehend this truth. Finally the nighest truth is what is revealed in the teachings and person-ality of Jesus Cirist. Christ knew when he said "I am the truth, the way and the life." Buying involves exchange What does the Christian rejuire to exchange in the purchase of truth? In-terest, False riches, inordinate pleasures, and unworthy ambitions. sures, and unworthy ambitions. "A man with merve enough" said the speaker, com get rich, but sometimes at a turrible cost." Prof. Bryte closed his sermon with an earsest appeal to keep the truth by respecting the Day of God, His House, and His Holy Word. Medicine Hat. in Cranbrook.
