### CHRONIC BRONCHITIS

Cannot be cured with ordinary soothing syrups. The disease must be attacked at the root to eradicate the irritation of the lungs, heal the wounds and strengthen the respiratory organs. The composition of

#### MATHIEU'S SYRUP

of Tar and Cod Liver Oil and other Medicinal Extracts makes it amongst all other remedies as the true specific for the disease of the throat, the bronchial tubes and the lungs. Here are a few conclusive proofs:

**CHURCH POINT, July 31, '08.**  
Blacking & Mercantile Co., Ltd., Amherst, N.S.  
Dear Sirs,—Nearly one year ago I had my first order of "Mathieu's Syrup" from you. It was not known in this country, and I gave samples to several families whom I knew would use it. After a few weeks I began to have a call for it, and trade has increased wonderfully since. I have not the least doubt but that it will soon be the best selling remedy for coughs, colds, etc., on the market. In my store here sales are good and our people ask for it. Several stores in this country now keep it in stock and report sales increasing. I have bought from you since August 10th, 1907, 4 Gross and have only 3 dozen on hand at this date, and which I am holding for retail trade in my store. Yours truly,  
LOUIS A. McLANSON.

### No Indigestion or Sick Stomach.

Gas, Heartburn, Dyspepsia and all misery in Stomach vanishes.

Take your sour, out-of-order stomach—or maybe you call it Indigestion, Dyspepsia, Gastritis or Catarrh of Stomach; it doesn't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 50-cent case of Pape's Diapepsin and let you eat one 22-grain Triangles and see it within five minutes there is left any trace of your former misery.

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness or many other similar symptoms.

If your appetite is feeble and nothing tempts you, or you belch gas, or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself in five minutes that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

**FIT THE GROCER**  
Wife Made the Suggestion.  
A grocer has excellent opportunity to know the effects of special foods on his long list of customers that have been helped in health by leaving off coffee and using Postum.  
He says, regarding his own experience: "Two years ago I had been drinking coffee and must say that I was almost wrecked in my nerves. "Particularly in the morning I was so irritable and upset that I could hardly wait until the coffee was served, and then I had no appetite for breakfast and did not feel like attending to my store duties. "One day my wife suggested that inasmuch as I was selling so much Postum there must be some merit in it and suggested that we try it. I took home a package and she prepared it according to directions. The result was a very happy one. "My nervousness gradually disappeared and to-day I am all right. I would advise everyone affected in any way with nervousness or stomach troubles, to leave off coffee and use Postum. "There's a Reason." Read "The Road to Wellville," in pgs. Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

### A Suggestion.

As the Exhibition to-night will be opened for the benefit of those bereaved by the Regulus and Golden Arrow disasters and an admission fee charged there will, no doubt, be a large gathering there.
