Special Announcement!

SEASON 1912-1913.

We are making extensive preparations for the approaching "Gift" Season, and have already received from the most noted manufacturers a large and brilliant selection of Silver Novelties, eminently suitable for Christmas and New Year Gifts. These goods will be on view in our windows within the next few weeks, and will completely eclipse any display of Silverware previously shown in St. John's.

This selection of seasonable presents is very large, and workmanship of many of them is exquisite, and all are in perfect taste. We have made a specialty this year of studying the requirements of our many customers, and feel assured of their entire approval of our choice. Come in and see the many NOVELTIES we are opening every day. Don't wait until you're ready to purchase. We WANT YOU TO SEE them, and to SEE them is to WANT them.
