COCHRANE STREET METHODIST CENTENNIAL CHURCH.

At Cochrane Street Church.

Yesterday was a red letter day and likely to be remembered by the members of the Cochrane Street Methodist Centennial Church who worshipped in their new and up to date school building. The morning service was well attended including a large contingent of the Newfoundland Regiment. The service was conducted by the Pastor, the Rev. C. A. Whitmarsh, M. A., who preached a very fine sermon from the text: "Who is she that looked forth at the morning, fair as the moon, clear as the sun and terrible as an army with banners." Rev. Dr. Fenwick read the Scripture Lessons. The Sacrament of Baptism was administered to three little ones, we wish Norma Louise Burt, Allison Isabel Young, and Jackson Whitmarsh Sturdee Drovers a long and happy career.

In the afternoon an open session of the Sunday School was held, presided over by the Superintendent, Hon. H. J. B. Woods. Addresses were delivered by the Revs. C. A. Whitmarsh, G. Paine and Mr. Arthur Mews. Miss Vincent and Mr. C. Hatcher were the soloists. A pleasing presentation was made to the Superintendent by Miss Giles on behalf of the officers and teachers, the address which is as follows was beautifully engrossed by Mr. Mews.

Dear Mr. Woods,—
We, the officers and teachers, of Cochrane Street Sunday School desire to tender you our sincere congratulations on this the first meeting in our new Sunday School Building. For over one-third of a century you have been our honoured and respected Superintendent, you saw the first beginnings in the Temperance Hall, you nurtured the growing school in the

Letter from Sergt. C. Mews to a Friend in the City.
New Camp, Suez, Egypt.
Tuesday, Feb. 1, 1916.

The parcel of tobacco and cigarettes which mother told me you were sending, and for which I am more than obliged, came to hand on Saturday in perfect condition. I shared it with some of the chaps in the tent and we had a good solid Nidd smoke. I have smoked all kinds of tobacco and cigarettes since I came on this job, but none of them can compare with the "Old Reliable" especially the "Gems." There were one hundred and eighty bags of parcels came on Saturday, and it was just like Christmas Eve here on Saturday night. Everybody had a couple of cigars and cakes, chocolates, cigarettes, etc., were in abundance. I managed to strike four out of the bunch.

Mr. Woods who was taken by surprise by the President, replied in most suitable terms thanking the teachers for their loyal and hearty support.

At the evening service the Pastor had a real earnest heart to heart talk with his people, on some ideals for our new church home:

- (1.) Something for everybody to do and everybody doing something.
- (2.) A more general recognition of the spirit of Brotherhood.
- (3.) A constant and vital interest in our young people.
- (4.) An atmosphere in our new church where all our people may make a personal surrender to their Lord and Master.

The singing was hearty, the Choir rendered the Anthem: "Sun of My Soul," with solo by Miss Vincent, and after the Offertory: "There is a green hill far away," was sung by Miss Herder.

The people were delighted with the new school building and were loud in their praises of having such a beautiful building for the young and rising generation to use.

all the young fellows in Newfoundland, if they want to fight for their King, Country and Home. Well now, I think I will close my letter for this time hoping to hear from you soon. Good-bye, from your loving son,
RICHARD GLEESON,
A Company, Nfld. Regiment, Mediterranean Expeditionary Force.

The worst of colds is how suddenly it comes. No time to hurry to the drug store, croup develops, the lungs are affected with pneumonia or tuberculosis and it's too late. Keep Cattarhozone on hand—it kills colds instantly. Something magical about the way it cures catarrh and bronchitis. Cattarhozone is the best remedy because it cures in nature's way; it heals, soothes and restores permanently. Carry a Cattarhozone inhaler in your pocket, use it occasionally and you'll never catch cold—that's worth remembering.

Beware of dangerous substitutes meant to deceive you for genuine Cattarhozone which is sold everywhere. Large size containing two months treatment costs \$1.00; small size, 50c.; sample size 25c.
