The woman who has a complexion that is naturally youthful and velvety is the envy of those who are not so fortunate. But a good or bad complexion usually indicates the amount of care you bestow on your skin. You cannot have a bright, clear skin unless you keep your skin clean—if you do not protect it from the ravages of cold winds and other enemies.

### NYAL FACE CREAM

is a delightful preparation that will help you towards your aim of a beautiful complexion. It is pure, soothing and stimulating, giving a glow and pleasant sensation of health when applied to the skin. It helps nature overcome wrinkles, pimples, roughness and blotches and imparts that clear, velvety texture that you like to see and touch.

Price 25c. and 50c. a jar.
