### World Evils Can Be Obviated By Faith.

Rome, Dec. 26.—In replying to Christmas greetings from all the cardinals present in Rome and other church dignitaries, Pope Benedict on Wednesday recalled the urgent necessity of aiding poor children of war victims, and added:  
 "The necessity for faith is demonstrated by the insanity of the efforts of those who vainly try to give mankind peace and welfare, forgetting of ignoring God. Peace cannot be obtained by the individual and by mankind if there is not order in both. There is no order without an acknowledgment of the dominion of God over His creatures."  
 "Order also requires a mastery of spirit over matter and a practical, sincere love of man for his neighbor. At present there cannot be true peace because order has been subverted by individuals and by mankind. The moral miseries due to the war are being exploited by those who watch every opportunity to affect moral order."  
 "To-day the spirit of independence has invaded all minds and leads them to rebellion. To-day there is no shame in seeking amusements amidst the griefs and sorrows of others and there is no limit to the dissipation of wealth and the drying up of the sources thereof. All this shows that modern society has attempted to set itself above God, passing from liberty to tolerance, from tolerance to division, from division to conflict, to ostracism of God."  
 "Therefore, forgetfulness of the supernatural and the triumphs of the natural hastened individuals to egoism and society to revolution and anarchy."  
 Continuing, the Pope said that he did not despair as all the evils could be obviated by faith, through which order would be re-established and peace would triumph. He urged upon the faithful prayer and obedience to human and divine laws, not to ostracise God in public documents, in the schools, in law courts or public assemblies, as God is Lord not only of individuals but also of nations.  
 "A lasting true peace must be based on just alliances among the peoples, while vanquished nations must be condemned to suffer equitable penalties but not destruction," he said.

### OTHER TABLETS NOT ASPIRIN AT ALL

Only Tablets with "Bayer Cross" are Genuine Aspirin

If you don't see the "Bayer Cross" on the tablets, you are not getting Aspirin—Remember, this! Genuine "Bayer Tablets of Aspirin" are now made in America by an American Company. No German interest whatever, all rights being purchased from the United States Government.  
 During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, proved safe by millions for Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and for pain generally.  
 Handy tin boxes of 12 tablets—also larger sized "Bayer" packages can be had at drug stores.  
 Aspirin is the trade mark (Newfoundland Registration No. 761), of Bayer Manufacture of Monocetate of Salicylic Acid.

### From All Quarters.

"We had raisin pie for dinner yesterday, and Pa got awful mad."  
 "What's the matter? Doesn't he like raisin pie?"  
 "Yep, but he told me he had bought those raisins for another purpose."  
 King George's speech at the closing of Parliament instead of commencing, "My Lords and Gentlemen of the House of Commons," was worded, because of the presence of Lady Astor in the Commons, "My Lords and members of the House of Commons."  
 There is a serious shortage in Paris of plate glass, as of many other things. Big shops whose windows are broken have to repair them with adhesive paper. One tradesman compensates for the ugly effect of this by a poster with the words: "A shell from Big Bertha broke this window in March, 1918."  
 William C. Brown, late of the Leicestershire Regiment, who for no particular reason, has set himself the task of walking 25,000 miles in the United Kingdom, said that the "torment of his life" is the refusal of rides offered by kindly motorists. Brown left Darlington on May 8th. He is averaging twenty-three miles a day, and at that rate his task will take three years. His progress is recorded by police stamps in a small ledger.  
 Mlle. Marie Prodhon, 28 years old, has been appointed Director of the Bank of Geneva, and will sign the notes and script issued by the Bank. Mlle. Prodhon, who proved herself an excellent financier during the war, is the first woman in Europe to hold such an important position. There are now two judges, nine barristers, three engineers and a number of University professors and doctors of the fair sex in Switzerland.  
 Charles Johnson, 65, farmer, living at West Salem, Ohio, was in Cleveland with a reserved seat ticket so as to be in the front row when the world came to an end. After going to a house where the "beginning of the end" was to be staged, and finding that no one there had even heard the end was at hand, Johnson complained to the police. "Two men came to me last Saturday and sold me a reserved seat for \$15," he said. "They told me all the members of my religious belief were to wait for the end in Cleveland."

The two men were boasting about their strength. The first one said: "My brother once went to a bull fight, and he took a bull in the left hand, and one in the right; he squeezed them; result—bottle of meat extract."
